BOND ANTICIPATION NOTES**

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds and Notes is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986. In the further opinion of Bond Counsel, interest on the Bonds and Notes is not a specific preference item for purposes of federal individual or corporate alternative minimum taxes; although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel is also of the opinion that interest on the Bonds and Notes is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds and Notes. See "Tax Matters" herein.

The Bonds and Notes will be "qualified tax-exempt obligations" pursuant to Section 265 (b)(3) of the Internal Revenue Code of 1986.

**BOND ANTICIPATION NOTES, 2017 SERIES A
(the "Notes")**

Date of Issue: December 14, 2017

Maturity Date: December 14, 2018

The Bonds and Notes are general obligations of the Village of Croton-on-Hudson, Westchester County, New York (the "Village"), and will contain a pledge of the faith and credit of the Village for the payment of the principal of and interest on the Bonds and Notes. All the taxable real property within the Village will be subject to the levy of ad valorem taxes, subject to the applicable provisions of Chapter 97 of the Laws of 2011, as amended (the "Tax Levy Limit Law"). See "Nature of Obligation" and "Tax Levy Limit Law," herein.

At the option of the purchaser, the Bonds will be issued in (i) certificated registered form registered in the name of the successful bidder as a statutory installment bond (SIB) (ii) registered certificated form with one bond for each maturity or (ii) registered book-entry-only form registered to Cede & Co., as the partnership nominee for DTC.

If the Bonds are issued as SIBs they will be registered in the name of the successful bidder, with a single bond certificate issued for the Bonds.

Principal of and interest on such certificated Bonds will be payable in Federal Funds by the Village to the registered owner.

If the Bonds will be issued in registered book-entry only form they will be registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the Bonds. Individual purchases may be made in book-entry form only, in the principal amount of \$5,000 or integral multiples thereof, except for one necessary odd denomination which includes \$1,700 maturing in 2018. Purchasers will not receive certificates representing their ownership interest in the Bonds. Payment of the principal of and interest on the Bonds will be made by the Village to DTC, which will in turn remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. See "Book-Entry-Only System" herein.

The Bonds will be dated their Date of Delivery, will bear interest from such date payable June 1, 2018 and semiannually thereafter on December 1 and June 1 until maturity and will mature on the dates in the years and amounts as set forth on the inside cover page hereof.

The Bonds will be subject to redemption prior to maturity.

At the option of the purchaser, the Notes will be issued in (i) certificated registered form registered in the name of the successful bidder or (ii) registered book-entry-only form registered to Cede & Co., as the partnership nominee for DTC.

If the Notes are issued registered in the name of the successful bidder, a single note certificate will be issued for the Notes bearing the same rate of interest in the aggregate principal amount awarded to such purchaser at such interest rates. Principal of and interest on such Notes will be payable in federal funds by the Village to the registered owner.

If the Notes are issued in book-entry-only form, such Notes will be delivered to DTC, which will act as securities depository for the Notes. Beneficial owners will not receive certificates representing their interest in the Notes. Individual purchases may be made in denominations of \$5,000 or integral multiples thereof, except for one odd denomination which includes \$1,434. A single note certificate will be issued for those Notes bearing the same rate of interest and CUSIP number in the aggregate principal amount awarded to such purchaser at such interest rate. Principal of and interest on said Notes will be paid in federal funds by the Village to Cede & Co., as nominee for DTC, which will in turn remit such principal and interest to its participants for subsequent distribution to the beneficial owners of the Notes as described herein. Transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Village will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. (See "Book-Entry-Only System" herein.)

The Bonds and Notes are offered when, as and if issued and received by the purchaser(s) subject to the receipt of the respective final approving opinions of Orrick, Herrington & Sutcliffe LLP, New York, New York, Bond Counsel. It is anticipated that the Bonds and Notes will be available for delivery through the facilities of DTC in Jersey City, New Jersey or as otherwise agreed with the purchaser(s) on or about December 14, 2017.

THIS OFFICIAL STATEMENT IS IN A FORM DEEMED FINAL BY THE VILLAGE FOR PURPOSES OF SECURITIES AND EXCHANGE COMMISSION RULE 15c2-12 (THE "RULE") EXCEPT FOR CERTAIN INFORMATION THAT HAS BEEN OMITTED HEREFROM IN ACCORDANCE WITH THE RULE AND THAT WILL BE SUPPLIED WHEN THIS OFFICIAL STATEMENT IS UPDATED FOLLOWING THE SALE OF THE BONDS AND NOTES. FOR A DESCRIPTION OF THE VILLAGE'S AGREEMENT TO PROVIDE NOTICE OF EVENTS AS DESCRIBED IN THE RULE, SEE "DISCLOSURE UNDERTAKING," HEREIN.

DATED: November 20, 2017

OFFICIAL STATEMENT

**VILLAGE OF CROTON-ON-HUDSON,
WESTCHESTER COUNTY, NEW YORK**

relating to

**\$1,616,700
PUBLIC IMPROVEMENT (SERIAL) BONDS, 2017**

and

**\$646,434
BOND ANTICIPATION NOTES, 2017 SERIES A**

This Official Statement (the “Official Statement”), which includes the cover pages and appendices hereto, presents certain information relating to the Village of Croton-on-Hudson in the County of Westchester, in the State of New York (the “Village,” “County,” and “State,” respectively), in connection with the sale of \$1,616,700 Public Improvement (Serial) Bonds, 2017 (the “Bonds”) and \$646,434 Bond Anticipation Notes, 2017 Series A (the “Notes”).

All quotations from and summaries and explanations of the provisions of the Constitution and Laws of the State and acts and proceedings of the Village contained herein do not purport to be complete and are qualified in their entirety by reference to the official compilation thereof, and all references to the Bonds and Notes and the proceedings of the Village relating thereto are qualified in their entirety by reference to the definitive form of the Bonds and Notes and such proceedings.

THE BONDS

Description of the Bonds

The Bonds will be dated the Date of Delivery, will bear interest from such date payable June 1, 2018 and semiannually thereafter on December 1 and June 1 until maturity and will mature on the dates in the years and amounts as set forth on the inside cover page hereof. The Bonds are subject to optional redemption prior to maturity (see “Optional Redemption,” herein).

The Bonds will be issued in fully registered form either registered in the name of the successful bidder (in the case of SIBs or other registered certificated form) or registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, New York. DTC will act as securities depository for the Bonds. Individual purchases may be made in book-entry form only, in the principal amount of \$5,000 and integral multiples, except for one necessary odd denomination which includes \$1,700 maturing in 2018. Purchasers will not receive certificates representing their ownership interest in the Bonds.

Principal of and interest on the Bonds will be made by the Village to DTC, which will in turn remit such principal of and interest on to its Participants (defined herein), for subsequent disbursement to the Beneficial Owners (defined herein) of the Bonds as described herein. The Bonds may be transferred in the manner described on the Bonds and as referenced in certain proceedings of the Village referred to therein.

The record date for payment of principal of and interest on the Bonds will be the fifteenth day of the calendar month preceding each interest payment date.

Authority for and Purpose of the Bonds

Authorization. The Bonds are issued pursuant to the Constitution and laws of the State, including the Local Finance Law, and various resolutions adopted by the Village Board of Trustees. Certain details of the Bonds will be prescribed by certificates of the Village Treasurer executed pursuant to powers delegated to him to fix terms, form and contents of the Bonds and to provide for the sale thereof.

Purpose. The proceeds of the Bonds will provide original financing for various Village improvements as set forth below.

<u>Date of Authorization</u>	<u>Purpose</u>	<u>Amount of The Bonds</u>
06-19-17	Roads & Sidewalks	\$ 306,000
06-19-17	Firehouse Renovations	127,500
06-19-17	Land & Building Acquisition	673,200
06-19-17	Renovation of Municipal Garage	<u>510,000</u>
		<u><u>\$1,616,700</u></u>

Optional Redemption

Call Provisions. The Bonds maturing on or before December 1, 2025 will not be subject to redemption prior to maturity. The Bonds maturing on or after December 1, 2026 will be subject to redemption prior to maturity at the option of the Village, in whole or in part, and if in part, in any order of their maturity and in any amount within a maturity (selected by lot within a maturity) on any date on or after December 1, 2025 at par, plus accrued interest to the date of redemption.

Call Notification. If less than all of the Bonds of any maturity are to be redeemed, the particular bonds of such maturity redeemed shall be selected by lot in any customary manner of selection as determined by the Village. Notice of such call for redemption shall be given by mailing such notice to the registered holder not more than sixty (60) days nor less than thirty (30) days prior to such date. Notice of redemption having been given as aforesaid, the bonds so called for redemption shall, on the date for redemption set forth in such call for redemption, become due and payable together with interest to such redemption date. Interest shall cease to be paid thereon after such redemption date (See “Book-Entry-Only System” for additional information concerning redemptions).

THE NOTES

Description of the Notes

The Notes will be dated and will mature as reflected on the cover page hereof.

The Notes will not be subject to redemption prior to maturity. Interest will be calculated on a 30-day month and 360-day year basis, payable at maturity.

The Notes will be issued in registered form either registered in the name of the successful bidder or registered to Cede & Co, as the partnership nominee for DTC. The Village will act as Paying Agent for the Notes. The Village contact information is as follows: Sandra Bullock, Treasurer, 1 Van Wyck Street, Croton-on-Hudson, New York 10520, (914) 271-2034, e-mail: sbullock@crotononhudson-ny.gov.

Authority for and Purpose of the Notes

Authorization. The Notes are issued pursuant to the State Constitution and statutes of the State, including among others, the Village Law, the Local Finance Law, and bond resolutions adopted by the Village Board on various dates authorizing the issuance of serial bonds to pay the cost of certain improvements as indicated below.

Purpose. The proceeds of the Notes, together with \$220,694 of available funds, will be used to redeem \$660,068 Bond Anticipation Notes, 2016B which mature on December 15, 2017 and provide \$207,060 of new money.

THE BONDS AND NOTES

Book-Entry-Only System

If requested, the Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds and if so requested, for the Notes. The Bonds and if so requested, the Notes will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered bond certificate will be issued for each maturity of the Bonds and will be deposited with DTC. One fully registered note certificate will be issued for the Notes bearing the same rate of interest and CUSIP and deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of the Bonds and Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds and Notes on DTC’s records. The ownership interest of each actual purchaser of each bond or note (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds and Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds and Notes, except in the event that use of the book-entry system for the Bonds and Notes is discontinued.

To facilitate subsequent transfers, all Bonds and Notes deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds and Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds and Notes; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds and Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds and Notes unless authorized by a Direct Participant in accordance with DTC’s Money Market Instruments (MMI) Procedures.

Under its usual procedures, DTC mails an Omnibus Proxy to the Village as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds and Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption notices shall be sent to DTC. If less than all of the Bonds and Notes within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Principal and interest payments on the Bonds and Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Village, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the Village, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Village, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds and Notes at any time by giving reasonable notice to the Village. Under such circumstances, in the event that a successor depository is not obtained, bond and note certificates are required to be printed and delivered.

The Village may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, bond and note certificates will be printed and delivered as applicable.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Village believes to be reliable, but the Village takes no responsibility for the accuracy thereof.

THE VILLAGE WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO DTC, THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OF DTC OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC; (2) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT

OF THE PRINCIPAL AMOUNT OF OR INTEREST OR REDEMPTION PREMIUM ON THE BONDS AND NOTES; (3) THE DELIVERY BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC OF ANY NOTICE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED TO BE GIVEN TO OWNERS ; OR (4) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE REGISTERED HOLDER OF THE BONDS AND NOTES.

NATURE OF OBLIGATION

Each Bond and Note, when duly issued and paid for, will constitute a contract between the Village and the holder thereof.

Holders of any series of bonds or notes of the Village may bring an action or commence a proceeding in accordance with the civil practice law and rules to enforce the rights of the holders of such series of notes or bonds.

The Bonds and Notes will be general obligations of the Village and will contain a pledge of the faith and credit of the Village for the payment of the principal thereof and the interest thereon as required by the Constitution and laws of the State. For the payment of such principal and interest, the Village has power and statutory authorization to levy ad valorem taxes on all real property within the Village, subject to applicable statutory limitations.

Although the State Legislature is restricted by Article VIII, Section 12 of the State Constitution from imposing limitations on the power to raise taxes to pay “interest on or principal of indebtedness theretofore contracted” prior to the effective date of any such legislation, the New York State Legislature may from time to time impose additional limitations or requirements on the ability to increase a real property tax levy or on the methodology, exclusions or other restrictions of various aspects of real property taxation (as well as on the ability to issue new indebtedness). On June 24, 2011, Chapter 97 of the Laws of 2011 was signed into law by the Governor (the “Tax Levy Limitation Law”). The Tax Levy Limitation Law applies to local governments and school districts in the State (with certain exceptions) and imposes additional procedural requirements on the ability of municipalities and school districts to levy certain year-to-year increases in real property taxes.

Under the Constitution of the State, the Village is required to pledge its faith and credit for the payment of the principal of and interest on the Bonds and Notes and is required to raise real estate taxes, and without specification, other revenues, if such levy is necessary to repay such indebtedness. While the Tax Levy Limitation Law imposes a statutory limitation on the Village’s power to increase its annual tax levy with the amount of such increase limited by the formulas set forth in the Tax Levy Limitation Law, it also provides the procedural method to surmount that limitation. See “Tax Levy Limitation Law,” herein.

The Constitutionally-mandated general obligation pledge of municipalities and school districts in New York State has been interpreted by the Court of Appeals, the State’s highest court, in Flushing National Bank v. Municipal Assistance Corporation for the City of New York, 40 N.Y.2d 731 (1976), as follows:

“A pledge of the city’s faith and credit is both a commitment to pay and a commitment of the city’s revenue generating powers to produce the funds to pay. Hence, an obligation containing a pledge of the City’s “faith and credit” is secured by a promise both to pay and to use in good faith the city’s general revenue powers to produce sufficient funds to pay the principal and interest of the obligation as it becomes due. That is why both words, “faith” and “credit” are used and they are not tautological. That is what the words say and this is what the courts have held they mean...So, too, although the Legislature is given the duty to restrict municipalities in order to prevent abuses in taxation, assessment, and in contracting of indebtedness, it may not constrict the City’s power to levy taxes on real estate for the payment of interest on or principal of indebtedness previously contracted...While phrased in permissive language, these provisions, when read together with the requirement of the pledge and faith and credit, express a constitutional imperative: debt obligations must be paid, even if tax limits be exceeded”.

In addition, the Court of Appeals in the Flushing National Bank case has held that the payment of debt service on outstanding general obligation bonds and notes takes precedence over fiscal emergencies and the police power of political subdivisions in New York State.

The pledge has generally been understood as a promise to levy property taxes without limitation as to rate or amount to the extent necessary to cover debt service due to language in Article VIII Section 10 of the Constitution which provides an exclusion for debt service from Constitutional limitations on the amount of a real property tax levy, insuring the availability of the levy of property tax revenues to pay debt service. As the Flushing National Bank Court noted, the term “faith and credit” in its context is “not qualified in any way”. Indeed, in Flushing National Bank v. Municipal Assistance Corp., 40 N.Y.2d 1088 (1977), the Court of Appeals described the pledge as a direct constitutional mandate. In Quirk v. Municipal Assistance Corp., 41 N.Y.2d 644 (1977), the Court of Appeals stated that, while holders of general obligation debt did not have a right to particular revenues such as sales tax, “with respect to traditional real estate tax levies, the bondholders are constitutionally protected against an attempt by the State to deprive the city of those revenues to meet its obligations.” According to the Court in Quirk, the State Constitution “requires the city to raise real estate taxes, and without specification other revenues, if such a levy be necessary to repay indebtedness.”

In addition, the Constitution of the State requires that every county, city, town, village, and school district in the State provide annually by appropriation for the payment of all interest and principal on its serial bonds and certain other obligations, and that, if at any time the respective appropriating authorities shall fail to make such appropriation, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied to such purposes. In the event that an appropriating authority were to make an appropriation for debt service and then decline to expend it for that purpose, this provision would not apply. However, the Constitution of the State does also provide that the fiscal officer of any county, city, town, village, or school district may be required to set apart and apply such first revenues at the suit of any holder of any such obligations.

In Quirk v. Municipal Assistance Corp., the Court of Appeals described this as a “first lien” on revenues, but one that does not give holders a right to any particular revenues. It should thus be noted that the pledge of the faith and credit of a political subdivision in New York State is a pledge of an issuer of a general obligation bond or note to use its general revenue powers, including, but not limited to, its property tax levy to pay debt service on such obligations, but that such pledge may not be interpreted by a court of competent jurisdiction to include a constitutional or statutory lien upon any particular revenues.

While the courts in New York State have historically been protective of the rights of holders of general obligation debt of political subdivisions, it is not possible to predict what a future court might hold.

Tax Levy Limitation Law

On June 24, 2011, Chapter 97 of the Laws of 2011 was signed into law by the Governor, as amended (the “Tax Levy Limitation Law”). The Tax Levy Limitation Law applies to all local governments, including school districts (with the exception of New York City, the counties comprising New York City and school districts in New York City, Buffalo, Rochester, Syracuse and Yonkers, the latter four of which are affected indirectly by applicability to their respective city). It also applies to independent special districts and to town and county improvement districts as part of their parent municipalities tax levies.

The Tax Levy Limitation Law restricts, among other things, the amount of real property taxes (including assessments of certain special improvement districts) that may be levied by or on behalf of a municipality in a particular year, beginning with fiscal years commencing on or after January 1, 2012. As amended, the Tax Levy Limit Law expires on June 15, 2020 unless extended. Pursuant to the Tax Levy Limitation Law, the tax levy of a municipality cannot increase by more than the lesser of (i) two percent (2%) or (ii) the annual increase in the consumer price index (“CPI”), over the amount of the prior year’s tax levy. Certain adjustments would be permitted for taxable real property full valuation increases due to changes in physical or quantity growth in the real property base as defined in Section 1220 of the Real Property Tax Law. A municipality may exceed the tax levy limitation for the coming fiscal year only if the governing body of such municipality first enacts, by at least a sixty percent vote of the total voting strength of the board, a local law (resolution in the case of fire districts and certain special districts) to override such limitation for such coming fiscal year only. There are permissible exceptions to the tax levy limitation provided in the Tax Levy

Limitation Law, including expenditures made on account of certain tort settlements and certain increases in the average actuarial contribution rates of the New York State and Local Employees' Retirement System, the Police and Fire Retirement System, and the Teachers' Retirement System. Municipalities are also permitted to carry forward a certain portion of their unused levy limitation from a prior year. Each municipality prior to adoption of its fiscal year budget must submit for review to the State Comptroller any information that is necessary in the calculation of its tax levy for such fiscal year.

The Tax Levy Limitation Law does not contain an exception from the levy limitation for the payment of debt service on either outstanding general obligation debt of municipalities or such debt incurred after the effective date of the Tax Levy Limitation Law (June 24, 2011).

While the Tax Levy Limitation Law may constrict an issuer's power to levy real property taxes for the payment of debt service on debt contracted after the effective date of the Tax Levy Limitation Law, it is clear that no statute is able (1) to limit an issuer's pledge of its faith and credit to the payment of any of its general obligation indebtedness or (2) to limit an issuer's levy of real property taxes to pay debt service on general obligation debt contracted prior to the effective date of the Tax Levy Limitation Law. Whether the Constitution grants a municipality authority to treat debt service payments as a constitutional exception to such a statutory tax levy limitation is not clear.

Real Property Tax Rebate

Chapter 59 of the Laws of 2014 ("Chapter 59"), included provisions which provided a refundable personal income tax credit to real property taxpayers in school districts and certain municipal units of government. Real property owners in school districts were eligible for this credit in the 2014 and 2015 taxable years of those property owners. Real property taxpayers in certain other municipal units of government were eligible for this credit in the 2015 and 2016 taxable years of those real property taxpayers. The eligibility of real property taxpayers for the tax credit in each year depended on such jurisdiction's compliance with the provisions of the Tax Levy Limitation Law. School districts budgets must have complied in their 2014-2015 and 2015-2016 fiscal years. Other municipal units of government must have had their budgets in compliance for their 2015 and 2016 fiscal years. Such budgets must have been within the tax cap limits set by the Tax Levy Limit Law for the real property taxpayers to be eligible for this personal income tax credit. The affected jurisdictions included counties, cities (other than any city with a population of one million or more and its counties), towns, villages, school districts (other than the dependent school districts of New York City, Buffalo, Rochester, Syracuse and Yonkers, the latter four of which were indirectly affected by applicability to their respective city) and independent special districts.

Certain additional restrictions on the amount of the personal income tax credit were set forth in Chapter 59 in order for the tax cap to qualify as one which would have provided the tax credit benefit to such real property taxpayers. The refundable personal income tax credit amount was increased in the second year if compliance occurred in both taxable years.

For the second taxable year of the program, the refundable personal income tax credit for real property taxpayers was additionally contingent upon adoption by the school district or municipal unit of a state approved "government efficiency plan" which demonstrated "three year savings and efficiencies of at least one per cent per year from shared services, cooperation agreements and/or mergers or efficiencies".

Municipalities, school districts and independent special districts were required to provide certification of compliance with the requirements of the new provisions to certain state officials in order to render their real property taxpayers eligible for the personal income tax credit.

While the provisions of Chapter 59 did not directly further restrict the taxing power of the affected municipalities, school districts and special districts, they did provide an incentive for such tax levies to remain with the tax cap limits established by the Tax Levy Limit Law. The Village complied with the provisions of Chapter 59 and its taxpayers received the rebates provided in 2015 and 2016.

An additional real property tax rebate program applicable solely to school districts was enacted by Chapter 20 of the Laws of 2015, signed into law by the Governor on June 26, 2015 which generally extends the provisions of the program through 2019 and includes continued tax cap compliance.

SPECIAL PROVISIONS AFFECTING REMEDIES UPON DEFAULT

General Municipal Law Contract Creditors' Provision. Each Bond and Note, when duly issued and paid for, will constitute a contract between the Village and the holder thereof. Under current law, provision is made for contract creditors of the Village to enforce payments upon such contracts, if necessary, through court action. Section 3-a of the General Municipal Law provides, subject to exceptions not pertinent, that the rate of interest to be paid by the Village upon any judgment or accrued claim against it on an amount adjudged due to a creditor shall not exceed nine per centum per annum from the date due to the date of payment. This provision might be construed to have application to the holders of the Bonds and Notes in the event of a default in the payment of the principal of and interest on the Bonds and Notes.

Execution/Attachment of Municipal Property. As a general rule, property and funds of a municipal corporation serving the public welfare and interest have not been judicially subjected to execution or attachment to satisfy a judgment, although judicial mandates have been issued to officials to appropriate and pay judgments out of certain funds or the proceeds of a tax levy. In accordance with the general rule with respect to municipalities, judgments against the Village may not be enforced by levy and execution against property owned by the Village.

Authority to File For Municipal Bankruptcy. The Federal Bankruptcy Code allows public bodies, such as counties, cities, towns and villages, recourse to the protection of a Federal Court for the purpose of adjusting outstanding indebtedness. Section 85.80 of the Local Finance Law contains specific authorization for any municipality in the State or its emergency control board to file a petition under any provision of Federal bankruptcy law for the composition or adjustment of municipal indebtedness.

The State has consented that any municipality in the State may file a petition with the United States District Court or court of bankruptcy under any provision of the laws of the United States, now or hereafter in effect, for the composition or adjustment of municipal indebtedness. Subject to such State consent, under the United States Constitution, Congress has jurisdiction over such matters and has enacted amendments to the existing federal bankruptcy statute, being Chapter 9 thereof, generally to the effect and with the purpose of affording municipal corporations, under certain circumstances, with easier access to judicially approved adjustment of debt, including judicial control over identifiable and unidentifiable creditors.

No current state law purports to create any priority for holders of the Bonds and Notes should the Village be under the jurisdiction of any court, pursuant to the laws of the United States, now or hereafter in effect, for the composition or adjustment of municipal indebtedness.

The rights of the owners of Bonds and Notes to receive interest and principal from the Village could be adversely affected by the restructuring of the Village's debt under Chapter 9 of the Federal Bankruptcy Code. No assurance can be given that any priority of holders of debt obligations issued by the Village (including the Bonds and Notes) to payment from monies retained in any debt service fund or from other cash resources would be recognized if a petition were filed by or on behalf of the Village under the Federal Bankruptcy Code or pursuant to other subsequently enacted laws relating to creditors' rights; such monies might, under such circumstances, be paid to satisfy the claims of all creditors generally.

Under the Federal Bankruptcy Code, a petition may be filed in the Federal Bankruptcy court by a municipality which is insolvent or unable to meet its debts as they mature. Generally, the filing of such a petition operates as a stay of any proceeding to enforce a claim against the municipality. The Federal Bankruptcy Code also requires that a plan be filed for the adjustment of the municipality's debt, which may modify or alter the rights of creditors and which could be secured. Any plan of adjustment confirmed by the court must be approved by the requisite number of creditors. If confirmed by the bankruptcy court, the plan would be binding upon all creditors affected by it.

State Debt Moratorium Law. There are separate State law provisions regarding debt service moratoriums enacted into law in 1975.

At the Extraordinary Session of the State Legislature held in November, 1975, legislation was enacted which purported to suspend the right to commence or continue an action in any court to collect or enforce certain short-term obligations of The City of New York. The effect of such act was to create a three-year moratorium on actions to enforce the

payment of such obligations. On November 19, 1976, the Court of Appeals, the State's highest court, declared such act to be invalid on the ground that it violates the provisions of the State Constitution requiring a pledge by such City of its faith and credit for the payment of obligations.

As a result of the Court of Appeals decision in Flushing National Bank v. Municipal Assistance Corporation for the City of New York, 40 N.Y.2d 731 (1976), the constitutionality of that portion of Title 6-A of Article 2 of the Local Finance Law, as described below, enacted at the 1975 Extraordinary Session of the State legislature authorizing any county, city, town or village with respect to which the State has declared a financial emergency to petition the State Supreme Court to stay the enforcement against such municipality of any claim for payment relating to any contract, debt or obligation of the municipality during the emergency period, is subject to doubt. In any event, no such emergency has been declared with respect to the Village.

Right of Municipality or State to Declare a Municipal Financial Emergency and Stay Claims Under State Debt Moratorium Law. The State Legislature is authorized to declare by special act that a state of financial emergency exists in any county, city, town or village. (The provision does not by its terms apply to school districts or fire districts.) In addition, the State Legislature may authorize by special act establishment of an "emergency financial control board" for any county, city, town or village upon determination that such a state of financial emergency exists. Thereafter, unless such special act provides otherwise, a voluntary petition to stay claims may be filed by any such municipality (or by its emergency financial control board in the event said board requests the municipality to petition and the municipality fails to do so within five days thereafter). A petition filed in supreme court in the county in which the municipality is located in accordance with the requirements of Title 6-A of the Local Finance Law ("Title 6-A") effectively prohibits the doing of any act for ninety days in the payment of claims against the municipality, including payment of debt service on outstanding indebtedness.

This includes staying the commencement or continuation of any court proceedings seeking payment of debt service due, the assessment, levy or collection of taxes by or for the municipality or the application of any funds, property, receivables or revenues of the municipality to the payment of debt service. The stay can be vacated under certain circumstances with provisions for the payment of amounts due or overdue upon a demand for payment in accordance with the statutory provisions set forth therein. The filing of a petition may be accompanied with a proposed repayment plan which, upon court order approving the plan, may extend any stay in the payment of claims against the municipality for such "additional period of time as is required to carry out fully all the terms and provisions of the plan with respect to those creditors who accept the plan or any benefits thereunder." Court approval is conditioned, after a hearing, upon certain findings as provided in Title 6-A.

A proposed plan can be modified prior to court approval or disapproval. After approval, modification is not permissible without court order after a hearing. If not approved, the proposed plan must be amended within ten days or else the stay is vacated and claims, including debt service due or overdue, must be paid. It is at the discretion of the court to permit additional filings of amended plans and continuation of any stay during such time. A stay may be vacated or modified by the court upon motion of any creditor if the court finds after a hearing that the municipality has failed to comply with a material provision of an accepted repayment plan or that due to a "material change in circumstances" the repayment plan is no longer in compliance with statutory requirements.

Once an approved repayment plan has been completed, the court, after a hearing upon motion of any creditor, or a motion of the municipality or its emergency financial control board, will enter an order vacating any stay then in effect and enjoining of creditors who accepted the plan or any benefits thereunder from commencing or continuing any court action, proceeding or other act described in Title 6-A relating to any debt included in the plan.

Title 6-A requires notice to all creditors of each material step in the proceedings. Court determinations adverse to the municipality or its financial emergency control board are appealable as of right to the appellate division in the judicial department in which the court is located and thereafter, if necessary, to the Court of Appeals. Such appeals stay the judgment or appealed from and all other actions, special proceedings or acts within the scope of Section 85.30 of Title 6-A pending the hearing and determination of the appeals.

Whether Title 6-A is valid under the Constitutional provisions regarding the payment of debt service is not known. However, based upon the decision in the Flushing National Bank case described above, its validity is subject to doubt.

While the State Legislature has from time to time adopted legislation in response to a municipal fiscal emergency and established public benefit corporations with a broad range of financial control and oversight powers to oversee such municipalities, generally such legislation has provided that the provisions of Title 6-A are not applicable during any period of time that such a public benefit corporation has outstanding indebtedness issued on behalf of such municipality.

Fiscal Stress and State Emergency Financial Control Boards. Pursuant to Article IX Section 2(b)(2) of the State Constitution, any local government in the State may request the intervention of the State in its “property, affairs and government” by a two-thirds vote of the total membership of its legislative body or on request of its chief executive officer concurred in by a majority of such membership. This has resulted in the adoption of special acts for the establishment of public benefit corporations with varying degrees of authority to control the finances (including debt issuance) of the cities of Buffalo, Troy and Yonkers and the County of Nassau. The specific authority, powers and composition of the financial control boards established by these acts varies based upon circumstances and needs. Generally, the State legislature has granted such boards the power to approve or disapprove budget and financial plans and to issue debt on behalf of the municipality, as well as to impose wage and/or hiring freezes and approve collective bargaining agreements in certain cases. Implementation is left to the discretion of the board of the public benefit corporation. Such a State financial control board was first established for New York City in 1975. In addition, on a certificate of necessity of the governor reciting facts which in the judgment of governor constitute an emergency requiring enactment of such laws, with the concurrences of two-thirds of the members elected in each house of the State legislature, the State is authorized to intervene in the “property, affairs and governments” of local government units. This occurred in the case of the County of Erie in 2005. The authority of the State to intervene in the financial affairs of local government is further supported by Article VIII, Section 12 of the Constitution, which declares it to be the duty of the State legislature to restrict, subject to other provisions of the Constitution, the power of taxation, assessment, borrowing money and contracting indebtedness and loaning the credit of counties, cities, towns and villages so as to prevent abuses in taxation and assessment and in contracting indebtedness by them.

In 2013, the State established a new state advisory board to assist counties, cities, towns and villages in financial distress. The Financial Restructuring Board for Local Governments (the “FRB”), is authorized to conduct a comprehensive review of the finances and operations of any such municipality deemed by the FRB to be fiscally eligible for its services upon request by resolution of the municipal legislative body and concurrence of its chief executive. The FRB is authorized to make recommendations for, but cannot compel improvement of fiscal stability, management and delivery of municipal services, including shared services opportunities and is authorized to offer grants and/or loans of up to \$5,000,000 through a Local Government Performance and Efficiency Program to undertake certain recommendations. If a municipality agrees to undertake the FRB recommendations, it will be automatically bound to fulfill the terms in order to receive the aid.

The FRB is also authorized to serve as an alternative arbitration panel for binding arbitration.

Although from time to time there have been proposals for the creation of a statewide financial control board with broad authority over local governments in the State, the FRB does not have emergency financial control board powers to intervene, such as the public benefit corporations established by special acts as described above.

Several municipalities in the State are presently working with the FRB. The Village has not applied to the FRB and does not reasonably expect to do so in the foreseeable future. School districts and fire districts are not eligible for FRB assistance.

Constitutional Non-Appropriation Provision. There is in the Constitution of the State, Article VIII, Section 2, the following provision relating to the annual appropriation of monies for the payment of due principal of and interest on indebtedness of every county, city, town, village and school district in the State: “If at any time the respective appropriating authorities shall fail to make such appropriations, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied to such purposes. The fiscal officer of any county, city, town, village or school district may be required to set aside and apply such revenues as aforesaid at the suit of any holder of obligations issued for any such indebtedness.” This constitutes a specific non-exclusive constitutional remedy against a defaulting municipality or school district; however, it does not apply in a context in which monies have been appropriated for debt service but the appropriating authorities decline to use such monies to pay debt service. However, Article VIII, Section 2 of the Constitution of the State also provides that the fiscal officer of any county,

city, town, village or school district may be required to set apart and apply such revenues at the suit of any holder of any obligations of indebtedness issued with the pledge of the faith of the credit of such political subdivision. See “General Municipal Law Contract Creditors’ Provision” herein.

The Constitutional provision providing for first revenue set asides does not apply to tax anticipation notes, revenue anticipation notes or bond anticipation notes.

Default Litigation. In prior years, certain events and legislation affecting a holder’s remedies upon default have resulted in litigation. While courts of final jurisdiction have upheld and sustained the rights of noteholders and bondholders, such courts might hold that future events including financial crises as they may occur in the State and in political subdivisions of the State, require the exercise by the State or its political subdivisions of emergency and police powers to assure the continuation of essential public services prior to the payment of debt service. See “Nature of Obligation” and “State Debt Moratorium Law” herein.

No Past Due Debt. No principal of or interest on Village indebtedness is past due. The Village has never defaulted in the payment of the principal of and interest on any indebtedness.

MARKET FACTORS

The financial and economic condition of the Village as well as the market for the Bonds and Notes could be affected by a variety of factors, some of which are beyond the Village’s control. There can be no assurance that adverse events in the State and in other jurisdictions, including, for example, the seeking by a municipality or large taxable property owner of remedies pursuant to the Federal Bankruptcy Code or otherwise, will not occur which might affect the market price of and the market for the Bonds and Notes. If a significant default or other financial crisis should occur in the affairs of the State or another jurisdiction or any of its agencies or political subdivisions thereby further impairing the acceptability of obligations issued by borrowers within the State, both the ability of the Village to arrange for additional borrowings, and the market for and market value of outstanding debt obligations, including the Bonds and Notes, could be adversely affected.

There can be no assurance that the State appropriation for State aid to the Village will be continued in future years, either pursuant to existing formulas or in any form whatsoever. State aid appropriated and apportioned to the Village can be paid only if the State has such monies available therefor. The availability of such monies and the timeliness of such payment may also be affected by a delay in the adoption of the State budget and other circumstances, including State fiscal stress. In any event, State aid appropriated and apportioned to the Village can be paid only if the State has such monies available therefor. (See “State Aid” herein).

Should the Village fail to receive monies expected from the State in the amounts and at the times expected, the Village is permitted to issue revenue anticipation notes in anticipation of the receipt of delayed State aid.

If and when a holder of any of the Bonds or Notes should elect to sell a Bond or Note prior to its maturity, there can be no assurance that a market shall have been established, maintained and be in existence for the purchase and sale of any of the Bonds or Notes. In addition, the price and principal value of the Bonds or Notes is dependent on the prevailing level of interest rates; if interest rates rise, the price of a bond or note will decline, causing the bondholder or noteholder to incur a potential capital loss if such bond or note is sold prior to its maturity.

Amendments to the U.S. Internal Revenue Code could reduce or eliminate the favorable tax treatment granted to municipal debt, including the Bonds and Notes and other debt issued by the Village. Any such future legislation could have an adverse effect on the market value of the Bonds and Notes (See “Tax Matters” herein).

The enactment of Chapter 97 of the Laws of 2011 on June 24, 2011, which imposes a tax levy limitation upon municipalities, school districts, including the Village, and fire districts in the State could have an impact upon operations of the Village and as a result, the market price for the Bonds or Notes. (See “Tax Levy Limit Law,” herein.)

THE STATE COMPTROLLER'S FISCAL STRESS MONITORING SYSTEM AND MONITORING SYSTEMS

The New York State Comptroller has reported that New York State's school districts and municipalities are facing significant fiscal challenges. As a result, the Office of the State Comptroller ("OSC") has developed a Fiscal Stress Monitoring System ("FSMS") to provide independent, objectively measured and quantifiable information to school district and municipal officials, taxpayers and policy makers regarding the various levels of fiscal stress under which the State's school districts and municipalities are operating.

The fiscal stress scores are based on financial information submitted as part of each school district's ST-3 report filed with the State Education Department annually, and each municipality's annual report filed with the State Comptroller. Using financial indicators that include year-end fund balance, cash position and patterns of operating deficits, the system creates an overall fiscal stress score which classifies whether a school district or municipality is in "significant fiscal stress", in "moderate fiscal stress," as "susceptible to fiscal stress" or "no designation". Entities that do not accumulate the number of points that would place them in a stress category will receive a financial score but will be classified in a category of "no designation." This classification should not be interpreted to imply that the entity is completely free of fiscal stress conditions. Rather, the entity's financial information, when objectively scored according to the FSMS criteria, did not generate sufficient points to place them in one of the three established stress categories.

The most current applicable report, for 2016 data, of the State Comptroller designates the Village as "No Designation," with a fiscal score of 19.2% and an environmental score of 3.8%.

See the State Comptroller's official website for more information on FSMS. Reference to this website implies no warranty of accuracy of information therein.

The financial affairs of the Village are subject to periodic compliance reviews by OSC to ascertain whether the Village has complied with the requirements of various State and federal statutes. OSC has not conducted an audit of the Village in the last five years.

LITIGATION

The Village is subject to a number of lawsuits in the ordinary conduct of its affairs. The Village does not believe, however, that such suits, individually or in the aggregate, are likely to have a material adverse effect on the financial condition of the Village.

In addition, certain property owners (including three of the ten largest taxpayers) have filed certiorari petitions under Article 7 of the Real Property Tax Law. Such petitions allege that property values as presently determined are excessive and request assessment reductions for one or more years and, in most actions, a refund of property taxes previously paid. During the past five fiscal years the Village has paid tax certiorari refunds as follows: 2011/12 - \$93,702; 2012/13 - \$71,141; 2013/14 - \$10,446; 2014/15 - \$29,159; and 2015/16 - \$5,449. It is difficult to predict at this time the outcome of current cases, however, pursuant to State law, the Village may issue debt to pay tax certiorari refunds should the amount of such refunds exceed the amount on hand therefore.

There is no action, suit, proceeding or investigation, at law or in equity, before or by any court, public board or body pending or, to the best knowledge of the Village, threatened against or affecting the Village to restrain or enjoin the issuance, sale or delivery of the Bonds and Notes or the levy and collection of taxes or assessments to pay same, or in any way contesting or affecting the validity of the Bonds and Notes or any proceedings or authority of the Village taken with respect to the authorization, issuance or sale of the Bonds and Notes or contesting the corporate existence or boundaries of the Village.

TAX MATTERS

In the opinion of Orrick, Herrington & Sutcliffe LLP (“Bond Counsel”), based upon an analysis of existing laws, regulations, rulings, and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds and Notes is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the “Code”) and is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). Bond Counsel is of the further opinion that interest on the Bonds and Notes is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. A complete copy of the proposed form of opinion of Bond Counsel is set forth in Appendix D hereto.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Bonds and Notes. The Village has covenanted to comply with certain restrictions designed to insure that interest on the Bonds and Notes will not be included in federal gross income. Failure to comply with these covenants may result in interest on the Bonds and Notes being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Bonds and Notes. The opinion of Bond Counsel assumes compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Bonds and Notes may adversely affect the value of, or the tax status of interest on, the Bonds and Notes. Further, no assurance can be given that pending or future legislation or amendments to the Code, if enacted into law, or any proposed legislation or amendments to the Code, will not adversely affect the value of, or the tax status of interest on, the Bonds and Notes.

Certain requirements and procedures contained or referred to in the Arbitrage Certificate, and other relevant documents may be changed and certain actions (including, without limitation, economic defeasance of the Bonds and Notes) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel expresses no opinion as to any Bonds and Notes or the interest thereon if any such change occurs or action is taken or omitted.

Although Bond Counsel is of the opinion that interest on the Bonds and Notes is excluded from gross income for federal income tax purposes and is exempt from income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York), the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds and Notes may otherwise affect an Owner’s federal or state tax liability. The nature and extent of these other tax consequences will depend upon the particular tax status of the Owner or the Owner’s other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds and Notes to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. For example, certain recent legislative proposals have been made that would limit the exclusion from gross income of interest on obligations like the Bonds and Notes to some extent for taxpayers who are individuals and whose income is subject to higher marginal income tax rates. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Bonds and Notes. There is presently tax reform legislation under consideration in Congress.

Prospective purchasers of the Bonds and Notes should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

LEGAL MATTERS

Legal matters incident to the authorization, issuance and sale of the Bonds and Notes are subject to the respective approving legal opinions of Orrick, Herrington & Sutcliffe LLP, Bond Counsel. Bond Counsel's respective opinions will be in substantially the forms attached hereto as Appendix D.

DISCLOSURE UNDERTAKINGS

Disclosure Undertaking for the Bonds

This Official Statement is in a form "deemed final" by the Village for the purposes of Securities and Exchange Commission Rule 15c2-12 (the "Rule"). At the time of the delivery of the Bonds, the Village will provide an executed copy of its undertaking to provide continuing disclosure certificate (the "Undertaking"). Said Undertaking will constitute a written agreement or contract of the Village for the benefit of holders of and owners of beneficial interests in the Bonds. In accordance with the requirements of Rule 15c2-12, as the same may be amended or officially interpreted from time to time (the "Rule"), promulgated by the Securities and Exchange Commission (the "Commission"), the Village has agreed to provide, or cause to be provided,

(1) to the Electronic Municipal Market Access ("EMMA") system of the Municipal Securities Rulemaking Board ("MSRB") or any other entity designated or authorized by the Commission to receive reports pursuant to the Rule, during each fiscal year in which the Bonds are outstanding, (i) certain annual financial information and operating data for the preceding fiscal year in a form generally consistent with the information contained or cross-referenced in the final Official Statement anticipated to be dated November 28, 2017 of the Village relating to the Bonds under the headings "Litigation" and in Appendix A under the headings "The Village", "Financial Factors", "Real Property Taxes", "Village Indebtedness" and "Economic and Demographic Data" and Appendix B by the end of the sixth month following the end of each succeeding fiscal year, commencing with the fiscal year ended May 31, 2018, and (ii) a copy of the audited financial statement, if any, (prepared in accordance with accounting principles generally accepted in the United States of America in effect at the time of the audit) for the preceding fiscal year, commencing with the fiscal year ended May 31, 2018; such audit (prepared in accordance with the accounting principles the Village may be required to employ pursuant to State law or regulation), if any, will be so provided on or prior to the later of either the end of the sixth month of each such succeeding fiscal year or, if an audited financial statement is not available at that time, within sixty days following receipt by the Village of its audited financial statement for the preceding fiscal year, but, in any event, not later than the last business day of each such succeeding fiscal year; and provided further, in the event that the audited financial statement for any fiscal year is not available by the end of the sixth month following the end of any such succeeding fiscal year, unaudited financial statements in the form provided to the State, if available, will be provided no later than said date; provided however, that provision of unaudited financial statements in any year shall be further conditioned upon a determination by the Village of whether such provision is compliant with the requirements of federal securities laws including Rule 10b-5 of the Securities Exchange Act of 1934 and Rule 17(a)(2) of the Securities Act of 1933;

(2) timely notice, not in excess of ten (10) business days after the occurrence of such event, of the occurrence of any of the following events:

(i) principal and interest payment delinquencies; (ii) non-payment related defaults, if material; (iii) unscheduled draws on debt service reserves reflecting financial difficulties; (iv) unscheduled draws on credit enhancements reflecting financial difficulties; (v) substitution of credit or liquidity providers, or their failure to perform; (vi) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices of determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds; (vii) modifications to rights of Bondholders, if material; (viii) Bond calls, if material, and tender offers; (ix) defeasances; (x) release, substitution, or sale of property securing repayment of the Bonds, if material; (xi) rating changes; (xii) bankruptcy, insolvency, receivership or similar event of the Village; (xiii) the consummation of a merger, consolidation, or acquisition involving the Village or the sale of all or substantially all of the assets of the Village, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material.

Event (iii) is included pursuant to a letter for the SEC staff to the National Association of Bond Lawyers dated September 19, 1995. However, event (iii) is not applicable, since no “debt service reserves” will be established for the Bonds.

With respect to event (iv) the Village does not undertake to provide any notice with respect to credit enhancement added after the primary offering of the Bonds.

With respect to event (xii) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Village in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or government authority has assumed jurisdiction over substantially all of the assets or business of the Village, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Village.

The Village may provide notice of the occurrence of certain other events, in addition to those listed above, if it determines that any such other event is material with respect to the Bonds; but the Village does not undertake to commit to provide any such notice of the occurrence of any event except those events listed above; and

(3) in a timely manner, notice of a failure to provide the annual financial information and operating data and such audited financial statement by the date specified.

The Village’s Undertaking shall remain in full force and effect until such time as the principal of, redemption premiums, if any, and interest on the Bonds shall have been paid in full or in the event that those portions of the Securities and Exchange Commission Rule 15c2-12 (“Rule 15c2-12”) which require the Undertaking, or such provision, as the case may be, do not or no longer apply to the Bonds. The sole and exclusive remedy for breach or default under the Undertaking is an action to compel specific performance of the undertakings of the Village, and no person or entity, including a Holder of the Bonds, shall be entitled to recover monetary damages thereunder under any circumstances. Any failure by the Village to comply with the Undertaking will not constitute a default with respect to the Bonds.

The Village reserves the right to amend or modify the Undertaking under certain circumstances set forth therein; provided that any such amendment or modification will be done in consultation with nationally recognized bond counsel in a manner consistent with Rule 15c2-12, as amended.

Compliance History

Since 2007, there have been in excess of 50 rating actions reported by Moody’s Investors Service, S&P Global Ratings and Fitch Ratings affecting the municipal bond insurance companies, some of which had insured bonds previously issued by the Village. Due to widespread knowledge of these rating actions, material event notices were not filed by the Village in each instance.

The Village’s 2014 audit and 2012 annual financial information and audit were inadvertently filed late due to the audits being received after the required filing dates. The Village’s 2016 audit was inadvertently filed 3 days late.

Disclosure Undertaking for the Notes

This Official Statement is in a form “deemed final” by the Village for the purposes of Securities and Exchange Commission Rule 15c2-12 (the “Rule”). At the time of the delivery of the Notes, the Village will provide an executed copy of its “Undertaking to Provide Notice of Certain Material Events” (the “Undertaking”). Said Undertaking will constitute a written agreement or contract of the Village for the benefit of holders of and owners of beneficial interests in the Notes, to provide, or cause to be provided, timely notice not in excess of ten (10) business days after the occurrence of any of the following events with respect to the Notes:

- (i) principal and interest payment delinquencies; (ii) non-payment related defaults, if material; (iii) unscheduled draws on debt service reserves reflecting financial difficulties; (iv) unscheduled draws

on credit enhancements reflecting financial difficulties; (v) substitution of credit or liquidity providers, or their failure to perform; (vi) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices of determinations with respect to the tax status of the Notes, or other material events affecting the tax status of the Notes; (vii) modifications to rights of Noteholders, if material; (viii) Note calls, if material, and tender offers; (ix) defeasances; (x) release, substitution, or sale of property securing repayment of the Notes, if material; (xi) rating changes; (xii) bankruptcy, insolvency, receivership or similar event of the Village; (xiii) the consummation of a merger, consolidation, or acquisition involving the Village or the sale of all or substantially all of the assets of the Village, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material.

Event (iii) is included pursuant to a letter from the SEC staff to the National Association of Bond Lawyers dated September 19, 1995. However, event (iii) is not applicable, since no “debt service reserves” will be established for the Notes.

With respect to event (iv) the Village does not undertake to provide any notice with respect to credit enhancement added after the primary offering of the Notes.

With respect to event (xii) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Village in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or government authority has assumed jurisdiction over substantially all of the assets or business of the Village, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Village.

The Village may provide notice of the occurrence of certain other events, in addition to those listed above, if it determines that any such other event is material with respect to the Notes; but the Village does not undertake to commit to provide any such notice of the occurrence of any material event except those events listed above.

The Village’s Undertaking shall remain in full force and effect until such time as the principal of, redemption premiums, if any, and interest on the Notes shall have been paid in full. The sole and exclusive remedy for breach or default under the Undertaking is an action to compel specific performance of the undertakings of the Village, and no person or entity, including a holder of the Notes, shall be entitled to recover monetary damages thereunder under any circumstances. Any failure by the Village to comply with the Undertaking will not constitute a default with respect to the Notes.

The Village reserves the right to amend or modify the Undertaking under certain circumstances set forth therein; provided that, any such amendment or modification will be done in consultation with nationally recognized bond counsel in a manner consistent with Rule 15c2-12 as then in effect.

MUNICIPAL ADVISOR

Capital Markets Advisors, LLC, Hopewell Junction, New York, (the “Municipal Advisor”) is an independent municipal advisor registered with the United States Securities and Exchange Commission and the Municipal Securities Rulemaking Board. The Municipal Advisor has served as the independent financial advisor to the Village in connection with this transaction.

In preparing the Official Statement, the Municipal Advisor has relied upon governmental officials, and other sources, who have access to relevant data to provide accurate information for the Official Statement. The Municipal Advisor has not been engaged, nor has it undertaken, to independently verify the accuracy of such information. The Municipal Advisor is not a public accounting firm and has not been engaged by the Village to compile, review, examine or audit any information in the Official Statement in accordance with accounting standards. The Municipal Advisor is not a law firm and does not provide legal advice with respect to this or any debt offerings of the Village. The Municipal Advisor is an independent advisory firm and is not engaged in the business of underwriting, trading or distributing municipal securities or other public securities and therefore will not participate in the underwriting of the Bonds and Notes.

RATING

The Village has applied to Moody's Investors Service (“Moody's”) for a rating of the Bonds. Such application is pending at this time. The Village has not applied for a rating of the Notes.

The Village’s current rating by Moody’s is currently “Aa2.”

Such rating reflects only the views of such organization and any desired explanation of the significance of such rating should be obtained from Moody’s at the following address: 7 World Trade Center, 250 Greenwich Street, New York, New York 10007. There can be no assurance that such rating will continue for any specified period of time or that such rating will be revised or withdrawn, if in the judgment of Moody's circumstances so warrant. Any such change or withdrawal of such rating may have an adverse effect on the market price of the Bonds and Notes or the availability of a secondary market for the Bonds and Notes.

THE VILLAGE

There follows in this Official Statement a brief description of the Village together with certain information concerning its governmental organization, economy, indebtedness and finances.

General Information

The Village was incorporated as a municipal government by the State in 1898. The Village is vested with such powers and has the responsibilities inherent in the operation of municipal government, including the adoption of rules and regulations to govern its affairs. In addition, the Village may tax real property situated in its boundaries and incur debt subject to the provisions of the State's Local Finance Law. There is one independent public school district (Croton-Harmon Union Free School District) situated in the Village that possesses the same powers with respect to taxation and debt issuance. Village residents also pay real property taxes to the Town of Cortlandt (the "Town") and the County of Westchester (the "County") to support programs conducted by these governmental entities.

Government operations of the Village are subject to the provisions of the State Constitution and various statutes affecting village governments, including the Village Law, the General Municipal Law and the Local Finance Law.

Real property assessment, collection, and enforcement procedures are determined by the Real Property Tax Law and the County Tax Code. Real property taxes are levied and become a lien on June 1 of each year. The Village bills, collects and enforces unpaid Village real property taxes. See "Tax Collection Procedure" and "Tax Levies and Collection Record" under "Real Property Taxes" herein.

Form of Government

The Board of Trustees (the "Board") is the legislative, appropriating, governing and policy determining body of the Village, consisting of four trustees elected at large to serve a two-year term, and the Mayor. Trustees may be elected to an unlimited number of terms. It is the responsibility of the Board to enact, by resolution, all legislation, including ordinances and local laws. Annual operating budgets for the Village must be approved by the Board; modifications and transfers between budgetary appropriations also must be authorized by the Board. The original issuance of all Village indebtedness is subject to approval by the Board.

The Mayor is the chief elected official of the Village and is elected for a two-year term of office with the right to succeed himself. In addition, the Mayor is a full member of and the presiding officer of the Board.

The Village Board appoints a Village Manager who is the chief executive officer of the Village and is responsible for managing daily operations.

The Village Clerk is appointed by the Mayor, subject to confirmation by the Board, to serve a two-year term.

The responsibilities of the Clerk are many and varied. The Clerk has custody of the corporate seal, books, records, and papers of the Village, and all the official reports and communications of the Board, and is clerk to the Board and each board of village officers and keeps the records of their proceedings. The Village Clerk is responsible for maintaining the Village code of laws and ordinances as it relates to the codes for building, plumbing, electric, zoning, vehicle and traffic regulations, and general ordinances.

The Village Treasurer is the chief fiscal officer of the Village. Duties of the Village Treasurer include maintaining the Village's accounting systems and records, which includes the responsibility to prepare and file an annual financial report with the State Comptroller, the custody and investment of Village funds, and debt management.

The Village provides its residents with many of the services traditionally provided by village governments. In addition, the Town and County furnish certain other services. A list of these services provided by the Village is as follows: police protection and law enforcement; fire protection; sewage collection services; refuse collection and incineration; highway and public facilities maintenance; a local justice court that is responsible for enforcing provisions of the State's Vehicle and Traffic Law and local ordinances as well as having jurisdiction over certain civil and criminal matters; cultural and recreational activities; building code enforcement; and planning and zoning administration. Ambulance service is furnished by contract and also by a volunteer ambulance company.

Pursuant to State law, the County is responsible for funding and providing various social service and health care programs such as Medicaid, aid to families with dependent children, home relief and mental health programs. The County is also responsible for certain sewer services for which special purpose districts have been established. In addition, the County operates a two-year community college which offers associate degrees in various fields of study.

Employees

The Village provides services through approximately 71 full-time employees. The following Table shows employee representation by collective bargaining agent and the date of expiration of their respective collective bargaining agreements.

<u>Employees Represented</u>	<u>Bargaining Agent</u>	<u>Contract Expiration Date</u>
20	Croton-on-Hudson Police Benevolent Association	05-31-19

Employee Benefits

Substantially all employees of the Village are members of the New York State and Local Employees Retirement System (“ERS”) or the New York State and Local Police and Fire Retirement System (“PFRS”) (ERS and PFRS are referred to collectively hereinafter as the “Retirement System” where appropriate). The Retirement System is a cost-sharing multiple public employer retirement system. The obligation of employers and employees to contribute and the benefits to employees are governed by the New York State Retirement and Social Security Law (the “Retirement System Law”). The Retirement System offers a wide range of plans and benefits which are related to years of service and final average salary, vesting of retirement benefits, death and disability benefits and optional methods of benefit payments. All benefits generally vest after five years of credited service, except for members hired on or after January 1, 2010 whose benefits vest after ten years of credited service. The Retirement System Law generally provides that all participating employers in the Retirement System are jointly and severally liable for any unfunded amounts. Such amounts are collected through annual billings to all participating employers. Generally, all employees, except certain part-time employees, participate in the Retirement System. The Retirement System is non-contributory with respect to members hired prior to July 27, 1976. All members hired on or after July 27, 1976 through and including December 31, 2009, must contribute three percent of their gross annual salary toward the costs of retirement programs until they attain ten years in the Retirement System, at such time contributions become voluntary. Members hired after on or after January 1, 2010 must contribute three or more percent of their gross annual salary toward the costs of retirement programs for the duration of their employment.

Additionally, on March 16, 2012, the Governor signed into law the new Tier 6 pension program, effective for new ERS employees hired after April 1, 2012. The Tier 6 legislation provides, among other things, for increased employee contribution rates of between 3% and 6%, an increase in the retirement age from 62 years to 63 years, a readjustment of the pension multiplier, and a change in the time period for final average salary calculation from 3 years to 5 years. Tier 6 employees will vest in the system after ten years of employment and will continue to make employee pension contributions throughout employment.

Police officers and firefighters who are members of PFRS are divided into four tiers. As with ERS, retirement benefit plans available under PFRS are most liberal for Tier 1 employees. The plans adopted for PFRS employees are noncontributory for Tier 1 and Tier 2 employees. Police officers and firefighters that were hired between July 1, 2009 and January 8, 2010 are currently in Tier 3, which has a 3% employee contribution rate by members. There is no Tier 4 in PFRS. Police officers and firefighters hired after January 9, 2010 are in Tier 5 which also requires a 3% employee contribution from members. Police officers and firefighters hired after April 1, 2012 are in Tier 6, which also originally had a 3% contribution requirement for members for FY 12-13; however, as of April 1, 2013, Tier 6 PFRS members are required to contribute a specific percentage of their annual salary, as follows, until retirement or until the member has reached 32 years of service credit, whichever occurs first: \$45,000.00 or less contributes 3%; \$45,000.01 to \$55,000.00 contributes 3.5%; \$55,000.01 to \$75,000.00 contributes 4.5%; \$75,000.01 to \$100,000.00 contributes 5.75%; and more than \$100,000.00 contributes 6%.

Beginning July 1, 2013, a voluntary defined contribution plan option was made available to all unrepresented employees of New York State public employers hired on or after that date, and who earn \$75,000 or more on an annual basis.

The New York State Retirement System allows municipalities to make employer contribution payments in December of each year, at a discount, or the following February, as required. The Village generally opts to make its pension payments in December in order to take advantage of the discount and this payment was made in December 2016 for the current year.

Due to significant capital market declines in 2008 and 2009, the State's Retirement System portfolio experienced negative investment performance and severe downward trends in market earnings. As a result of the foregoing, the employer contributions for the State's Retirement System continue to be higher than the minimum contribution rate established by Chapter 49. Legislation was enacted that permits local governments and school districts to borrow a portion of their required payments from the State pension plan at an interest rate of 5%. The legislation also requires those local governments and school districts that amortize their pension obligations pursuant to the regulation to establish reserve accounts to fund payment increases that are a result of fluctuations in pension plan performance. The Village does not currently amortize any pension payments.

In Spring 2013, the State and ERS approved a Stable Contribution Option ("SCO"), which modified its existing SCO adopted in 2010, that gives municipalities the ability to better manage spikes in Actuarially Required Contribution rates ("ARCs"). The plan allows municipalities to pay the SCO amount in lieu of the ARC amount. The Village pays its ERS and PFRS contributions on a pay as you go basis and does not expect to participate in the SCO in the foreseeable future.

For State Fiscal Year 2016-17, the average contribution rates decreased for the third year in a row. ERS decreased by 2.7% of payroll, from 18.2% to 15.5% and the average contribution rate for PFRS decreased by approximately .4% of payroll from 24.7% to 24.3%. For the State Fiscal Year 2017-18 the contribution rates for ERS and PFRS remain unchanged at the 2016-17 levels. Projections of required contributions will vary by employer depending on factors such as retirement plans, salaries and the distribution of their employees among the six retirement tiers.

ERS and PFRS Contributions. The current retirement expenditures presented in the Village's financial statements for each of the last five years and the amount budgeted for the most recent fiscal year are shown in the following table:

Fiscal Year Ended May 31:	ERS	PFRS
2013	\$921,350	\$713,562
2014	874,243	760,568
2015	950,008	777,174
2016	799,960	615,943
2017	736,275	660,829
2018 (Budget)	675,016	694,074

Other Postemployment Benefits

GASB Statement No. 45 ("GASB 45") of the Governmental Accounting Standards Board ("GASB") requires state and local governments to account for and report their costs associated with post-retirement healthcare benefits and other non-pension benefits ("OPEB"). GASB 45 generally requires that employers account for and report the annual cost of the OPEB and the outstanding obligations and commitments related to OPEB in essentially the same manner as they currently do for pensions. Under previous rules, these benefits have generally been administered on a pay-as-you-go basis and have not been reported as a liability on governmental financial statements. Only current payments to existing retirees were recorded as an expense.

GASB 45 requires that state and local governments adopt the actuarial methodologies to determine annual OPEB costs. Annual OPEB cost for most employers will be based on actuarially determined amounts that, if paid on an ongoing basis, generally would provide sufficient resources to pay benefits as they come due.

Under GASB 45, based on actuarial valuation, an annual required contribution (“ARC”) is determined for each state or local government. The ARC is the sum of (a) the normal cost for the year (the present value of future benefits being earned by current employees) plus (b) amortization of the unfunded accrued liability (benefits already earned by current and former employees but not yet provided for), using an amortization period of not more than 30 years. If a municipality contributes an amount less than the ARC, a net OPEB obligation will result, which is required to be recorded as a liability on its financial statements.

GASB 45 does not require that the unfunded liabilities actually be funded, only that the Village account for its unfunded accrued liability and compliance in meeting its ARC. Actuarial valuation is required every two years for the Village. The Village’s funding policy is to contribute the current annual premium (net of employee contributions) for retired participants (i.e. pay-as-you-go). Current New York State law does not permit municipalities to pre-fund medical benefit obligations. For the 2012-13 fiscal year the Village contributed \$706,284.

The Village is in compliance with the requirements of GASB 45. The Village has determined that its unfunded actuarial accrued liability (“UAAL”) for OPEB as of June 1, 2016 was \$28,324,301. For the year ended May 31, 2017, the Village’s ARC was \$2,000,522. The Village’s unfunded actuarial accrued OPEB liability could have a material adverse impact upon the Village’s finances and could force the Village to reduce services, raise taxes or both.

Legislation has been proposed to create an optional investment pool to help the State and local governments fund retiree health insurance and other post-employment benefits. The proposed legislation would authorize the creation of irrevocable OPEB trusts so that the State and its local governments can help fund their OPEB liabilities, establish an OPEB investment fund in the sole custody of the State Comptroller for the investment of OPEB assets of the State and participating eligible local governments, designate the A-5 president of the Civil Service Commission as the trustee of the State’s OPEB trust and the governing boards as trustee for local governments and allow school districts to transfer certain excess reserve balances to an OPEB trust once it is established. Under the proposed legislation, there are no limits on how much a local government can deposit into the trust. The Town cannot predict at this time whether such proposed legislation will be enacted into law.

FINANCIAL FACTORS

Budgetary Procedure

The head of each administrative unit of the Village is required to file detailed estimates of revenues (other than real property taxes) and expenditures for the next fiscal year with the Budget Officer (the Village Manager) on or before March 1st of each year. After reviewing these estimates, the Budget Officer prepares a tentative budget, which includes the Budget Officer’s recommendations. The tentative budget is filed with the Village Clerk not later than March 20th. Subsequently, the Village Treasurer presents the tentative budget to the Board at a regular or special meeting. Review and preliminary alteration of the tentative budget by the Board must be completed by March 31st. Following this review process, the tentative budget and such modifications, if any, as approved by the Board, become the preliminary budget. A public hearing on the preliminary budget, notice of which must be given at least five (5) days prior to the hearing, must be held not later than April 15th. After the public hearing, the Board may further change and revise the preliminary budget. The Board must adopt the preliminary budget as submitted or amended by May 1st, at which time the preliminary budget becomes the annual budget of the Village for the ensuing fiscal year. Budgetary control is the responsibility of the Village Treasurer.

Independent Audits

The Village retained the firm of PKF O’Connor Davies, LLP, Certified Public Accountants, to audit its financial statements for the fiscal year ended May 31, 2017. Appendix B, attached hereto, presents excerpts from the Village’s most recent audited reports covering the last five fiscal years. Appendix C contains a link to the last fiscal year audit.

In addition, the Village is subject to audit by the State Comptroller to review compliance with legal requirements and the rules and regulations established by the State. See “The State Comptroller’s Fiscal Stress Monitoring System and Compliance Reviews” herein.

Investment Policy

Pursuant to Section 39 of the State's General Municipal Law, the Village has an investment policy applicable to the investment of all moneys and financial resources of the Village. The responsibility for the investment program has been delegated by the Board to the Village Treasurer, Chief Financial Officer who was required to establish written operating procedures consistent with the Village's investment policy guidelines. According to the investment policy of the Village, all investments must conform to the applicable requirements of law and provide for: the safety of the principal; sufficient liquidity; and a reasonable rate of return.

Authorized Investments. The Village has designated seven banks or trust companies located and authorized to conduct business in the State to receive deposits of money. The Village is permitted to invest in special time deposits or certificates of deposit.

In addition to bank deposits, the Village is permitted to invest moneys in direct obligations of the United States of America, obligations guaranteed by agencies of the United States where the payment of principal and interest are further guaranteed by the United States of America and obligations of the State. Other eligible investments for the Village include: revenue and tax anticipation notes issued by any municipality, school district or district corporation other than the Village (investment subject to approval of the State Comptroller); obligations of certain public authorities or agencies; obligations issued pursuant to Section 109(b) of the General Municipal Law (certificates of participation) and certain obligations of the Village, but only with respect to moneys of a reserve fund established pursuant to Section 6 of the General Municipal Law. The Village may also utilize repurchase agreements to the extent such agreements are based upon direct or guaranteed obligations of the United States of America. Repurchase agreements are subject to the following restrictions, among others: all repurchase agreements are subject to a master repurchase agreement; trading partners are limited to banks or trust companies authorized to conduct business in the State or primary reporting dealers as designated by the Federal Reserve Bank of New York; securities may not be substituted; and the custodian for the repurchase security must be a party other than the trading partner. All purchased obligations, unless registered or inscribed in the name of the Village, must be purchased through, delivered to and held in the custody of a bank or trust company located and authorized to conduct business in the State. Reverse repurchase agreements are not allowed under State Law.

Collateral Requirements. All Village deposits in excess of the applicable insurance coverage provided by the Federal Deposit Insurance Act must be secured in accordance with the provisions of and subject to the limitations of Section 10 of the General Municipal Law of the State. Such collateral must consist of the “eligible securities,” “eligible surety bonds” or “eligible letter of credit” as described in the law.

Eligible securities pledged to secure deposits must be held by the depository or third-party bank or trust company pursuant to written security and custodial agreements. The Village's security agreements provide that the aggregate market value of pledged securities must equal or exceed the principal amount of deposit, the agreed upon interest, if any, and any costs or expenses arising from the collection of such deposits in the event of a default. Securities not registered or inscribed in the name of the Village must be delivered, in a form suitable for transfer or with an assignment in blank, to the Village or its designated custodial bank. The custodial agreements used by the Village provide that pledged securities must be kept separate and apart from the general assets of the custodian and will not, under any circumstances, be commingled with or become part of the backing for any other deposit or liability. The custodial agreement must also provide that the custodian shall confirm the receipt, substitution or release of the collateral, the frequency of revaluation of eligible securities and the substitution of collateral when a change in the rating of a security may cause ineligibility.

An eligible irrevocable letter or credit may be issued, in favor of the Village, by a qualified bank other than the depository bank. Such letters may have a term not to exceed 90 days and must have an aggregate value equal to 140% of the deposit obligations and the agreed upon interest. Qualified banks include those with commercial paper or other unsecured or short-term debt ratings within one of the three highest categories assigned by at least one nationally recognized statistical rating organization or a bank that is in compliance with applicable Federal minimum risk-based capital requirements.

An eligible surety bond must be underwritten by an insurance company authorized to do business in the State which has claims paying ability rated in the highest rating category for claims paying ability by at least two nationally recognized statistical rating organizations. The surety bond must be payable to the Village in an amount equal to 100% of the aggregate deposits and the agreed interest thereon.

Revenues

The Village derives its revenues primarily from real property taxes and special assessments, State aid and departmental fees and charges. A summary of such revenues for the years 2013-2017 is presented in Appendix B, hereto. Information for said fiscal years has been excerpted from the Village’s audited financial reports, however, such presentation has not been audited.

Property Taxes. The Village derives a major portion of its revenues from a tax on real property (see “Statement of Revenues, Expenditures and Changes in Fund Balance” in Appendix B.) Property taxes accounted for 59.4% of total general fund and other governmental funds revenues for the fiscal year ended May 31, 2017.

The following table sets forth total fund revenues and real property taxes received for each of the past five audited fiscal years and the amount budgeted for the current fiscal year.

State Aid. The Village receives financial assistance from the State. State Aid accounted for approximately 1.2% of the total general fund revenues of the Village in the 2017 fiscal year. A substantial portion of the State aid received is directed to be used for specific programs. If the State should experience difficulty in borrowing funds in anticipation of the receipt of State taxes in order to pay State aid to municipalities and school districts in the State, including the Village, in any year or future years, the Village may be affected by a delay in the receipt of State aid until sufficient State taxes have been received by the State to make State aid payments. Additionally, if the State should not adopt its budget in a timely manner, municipalities and school districts in the State, including the Village, may be affected by a delay in the payment of State aid.

The State is not constitutionally obligated to maintain or continue State aid to the Village. No assurance can be given that present State aid levels will be maintained in the future. State budgetary restrictions which eliminate or substantially reduce State aid could have a material adverse effect upon the Village, requiring either a counterbalancing increase in revenues from other sources to the extent available, or a curtailment of expenditures. (See also “MARKET FACTORS,” herein.)

The following table sets forth total fund revenues and State aid revenues received for each of the past five audited fiscal years and the amount budgeted for the current fiscal year.

Sales Tax. The Village receives a share of the County sales tax. The County presently imposes a 1 ½% County-wide sales and use tax on all retail sales. Additionally, the State, effective May 1, 2005, imposes a 4% State sales tax and a 3/8% sales tax levied in the Metropolitan Transportation Authority District. The cities in the County have the power under State law to impose by local law and State legislative enactment their own sales and use taxes. At present, such taxes are imposed at a rate of 2½% in the Cities of White Plains, Mount Vernon, New Rochelle, and Yonkers. The Cities of Rye and Peekskill do not impose such a sales tax.

In July 1991, the State Legislature authorized an additional 1% sales tax for the County to impose in localities other than cities which have their own sales tax. This additional 1% sales tax became effective on October 15, 1991 and has been extended through May 31, 2018. The additional 1% sales tax is to be apportioned between the County (33 1/3%), school districts in the County (16 2/3%) and towns, villages and cities in the County which have imposed sales taxes (50%)

In February of 2004, the State Legislature authorized an increase of ½% to the additional 1% 1991 sales tax. The County retains 70% of this amount, the municipalities 20% and the school districts 10%. This increase became effective March 1, 2004 and expires on May 31, 2018.

The following table sets forth total fund revenues and sale taxes received for each of the past five fiscal years ended May 31 and the amount budgeted for the most recent fiscal year.

REAL PROPERTY TAXES

The Village derives its power to levy an ad valorem real property tax from the State Constitution. The Village is responsible for levying taxes for Village operating purposes and for debt service.

Tax Collection Procedures

The collection and enforcement of real property taxes is governed by the Real Property Tax Law of the State as well as by the County Tax Code.

The Village is responsible for levying, collecting and enforcing its own real property taxes. Taxes are levied on June 1 and may be paid without penalty at any time during the month of June. Late payments are assessed a 5% penalty for the first overdue month or fraction thereof and 1% each month thereafter up to a maximum of 12%.

Town, County and school district taxes levied against real property in the Village are collected by the Town. The Town must remit the full amount of the levy directly to the school districts and the County.

The following table sets forth the Village's gross tax levies and the current tax collection record.

VILLAGE INDEBTEDNESS

Constitutional Requirements

The New York State Constitution limits the power of the Village (and other municipalities and certain school districts of the State) to issue obligations and to otherwise contract indebtedness. Such constitutional limitations include the following, in summary form, and are generally applicable to the Village and its obligations.

Purpose and Pledge. Subject to certain enumerated exceptions, the Village shall not give or loan any money or property to or in aid of any individual or private corporation or give or loan its credit to or in aid of any of the foregoing or any public corporation.

The Village may contract indebtedness only for a Village purpose and shall pledge its faith and credit for the payment of principal of and interest thereon.

Payment and Maturity. Except for certain short-term indebtedness contracted in anticipation of taxes or to be paid within three fiscal year periods, indebtedness shall be paid in annual installments commencing no later than two years after the date such indebtedness shall have been contracted and ending no later than the expiration of the period of probable usefulness of the object or purpose as determined by statute or, in the alternative, the weighted average period of probable usefulness of the several objects or purposes for which it is contracted. No installment may be more than fifty per centum in excess of the smallest prior installment, unless the Village determines to issue a particular debt obligation amortizing on the basis of substantially level or declining annual debt service. The Village is required to provide an annual appropriation for the payment of interest due during the year on its indebtedness and for the amounts required in such year for amortization and redemption of its serial bonds and such required annual installments on its notes.

Debt Limit. The Village has the power to contract indebtedness for any Village purpose so long as the principal amount thereof shall not exceed seven percentum of the average full valuation of taxable real estate of the Village, and subject to certain enumerated exclusions and deductions such as water and certain sewer facilities and cash or

appropriations for current debt service. The constitutional method for determining full valuation is by taking the assessed valuation of taxable real estate for the last completed assessment roll and applying thereto the rate which such assessed valuation bears to the full valuation as determined by the State Office of Real Property Tax Services (the "ORPTS"). The State Legislature is required to prescribe the manner by which such rate shall be determined. Average full valuation is determined by taking the sum of the full valuations of such last completed assessment roll and the four preceding assessment rolls and dividing such sum by five.

Statutory Procedure

In general, the State Legislature has authorized the power and procedure for the Village to borrow and incur indebtedness subject, of course, to the constitutional provisions set forth above. The power to spend money, however, generally derives from other law, including the Village Law and the General Municipal Law.

Pursuant to the Local Finance Law, the Village authorizes the incurrence of indebtedness, including bonds and bond anticipation notes issued in anticipation of such bonds, by the adoption of a resolution, approved by at least two-thirds of the members of the Village Board, the finance board of the Village. Certain such resolutions may be subject to permissive referendum, or may be submitted to the Village voters at the discretion of the Village Board.

The Local Finance Law also provides for a twenty-day statute of limitations after publication of a bond resolution (in summary or in full), together with a statutory notice which, in effect, estops thereafter legal challenges to the validity of obligations authorized by such bond resolution, except for alleged constitutional violations. The Village has complied with such procedure for the validation of the bond resolution adopted in connection with this issuance.

Each bond resolution usually authorizes the construction, acquisition or installation of the object or purpose to be financed, sets forth the plan of financing and specifies the maximum maturity of the bonds subject to the legal (Constitution, Local Finance Law and case law) restrictions relating to the period of probable usefulness with respect thereto.

Each bond resolution also authorizes the issuance of bond anticipation notes prior to the issuance of serial bonds. Statutory law in New York permits notes to be renewed each year provided that principal is amortized and provided that such renewals do not (with certain exceptions) extend more than five years beyond the original date of borrowing. However, notes issued in anticipation of the sale of serial bonds for assessable improvements are not subject to such five year limit and may be renewed subject to annual reductions of principal for the entire period of probable usefulness of the purpose for which such notes were originally issued. (See "Payment and Maturity" under "Constitutional Requirements").

In addition, under each bond resolution, the Village Board may delegate the power to issue and sell Bonds and Notes to the Supervisor, the chief fiscal officer of the Village.

In general, the Local Finance Law contains similar provisions providing the Village with power to issue general obligation revenue anticipation notes, tax anticipation notes, capital notes, deficiency notes and budget notes.

Constitutional Debt-Contracting Limitation

ORPTS annually establishes State equalization rates for all assessing units in the State, including the Village, which are determined by statistical sampling of market/assessment studies. The equalization rates are used in the calculation and distribution of certain state aids and are used by many localities in the calculation of debt contracting and real property taxing limitations. The Village is not subject to a constitutional real property taxing limitation but has a debt contracting limitation equal to seven percent (7%) of average full valuation (See "Constitutional Requirements, Debt Limit," herein). See "**Tax Levy Limit Law**" herein.

The Village determines the assessed valuation for taxable real properties. The ORPTS determines the assessed valuation of special franchises and the taxable ceiling of railroad property. Special franchises include assessments on certain specialized equipment of utilities under, above, upon or through public streets or public places. Certain properties are taxable for school purposes but exempt for Village purposes.

The following table sets forth the Village's debt-contracting limitation.

Short-Term Indebtedness

Pursuant to the Local Finance Law, the Village is authorized to issue short-term indebtedness, in the form of notes as specified by statute, to finance both capital and operating purposes.

Capital Purposes. Bond anticipation notes may be sold to provide moneys for capital projects once an enabling bond resolution has been adopted. Generally, bond anticipation notes are issued in the anticipation of the sale of bonds at some future date and may be renewed from time to time up to five years in most cases. Such notes may not be renewed after the second year, unless there is a principal payment on the notes from a source other than the proceeds of bonds. In no event, may bond anticipation notes be renewed after the sale of bonds in anticipation of which the notes were originally issued. Capital notes may be issued to finance any capital purposes; the term for capital notes is generally limited to two years. The following table shows the amount of bond anticipation notes outstanding at the end of the last five years. No capital notes have been issued in this period.

The Village has the following bond anticipation notes outstanding which mature on December 15, 2017. Proceeds of the Notes, together with \$220,694 of available funds, will be used to redeem these notes and provide \$207,060 of new money.

Operating Purposes. The Village is authorized by law to issue tax anticipation notes and revenue anticipation notes to provide cash to pay operating expenditures. Borrowings for this purpose are restricted by formulas contained in the Local Finance Law as well as the regulations issued under the U.S. Internal Revenue Code. Notes may be renewed from time to time generally not beyond the third year after issuance in the case of revenue anticipation notes and five years for tax anticipation notes. Budget notes may be issued to finance current operating expenditures for which there is no appropriation or the amount so appropriated is not sufficient and deficiency notes may be issued to finance current operating revenues that did not materialize. Generally, the amount of budget notes may not exceed 5% of the budget and both budget notes and deficiency notes must be redeemed in the next fiscal year, unless issued after adoption of the ensuing year's budget, in which case, must be redeemed by the end of the second year after issuance. The Town has not borrowed for cash flow or working capital needs since 1994 and does not anticipate the need to borrow this year.

The Village's cash flow has been sufficient to meet its operating requirements; accordingly, the Village has not required the issuance of tax anticipation notes, revenue anticipation notes, budget notes or deficiency notes and does not expect to issue in the foreseeable future.

Installment Purchase Lease

On January 20, 1994, the Village entered into a contract with a private party to purchase land at a cost of \$4,000,000. An initial payment of \$500,000 was made at the closing and the balance of \$3,500,000 is payable in semi-annual installments of \$126,465, which includes interest at a rate of 6.0% per annum through 2024. Remaining installment payments as of November 17, 2017 aggregate \$1,428,562.

County of Westchester
State of New York

Village of Croton-on-Hudson, Westchester County, New York
\$1,616,700 Public Improvement (Serial) Bonds, 2017

Ladies and Gentlemen:

We have been requested to render our opinion as to the validity of \$1,616,700 Public Improvement (Serial) Bonds, 2017 (the "Obligations"), of the Village of Croton-on-Hudson, Westchester County, New York (the "Obligor"), dated December 14, 2017 initially issued in registered form in denominations such that one bond shall be issued for each maturity of bonds in such amounts as hereinafter set forth, bearing interest at the rate of ____ and ____ hundredths per centum (____%) per annum, payable on June 1, 2018 and semi-annually thereafter on December 1 and June 1, and maturing in the amount of \$_____ on December 1, 2018, \$_____ on December 1, 2019, \$_____ on December 1, 2020, \$_____ on December 1, 2021, \$_____ on December 1, 2022, \$_____ on December 1, 2023, \$_____ on December 1, 2024, \$_____ on December 1, 2025, \$_____ on December 1, 2026, \$_____ on December 1, 2027, \$_____ on December 1, 2028, \$_____ on December 1, 2029, \$_____ on December 1, 2030, \$_____ on December 1, 2031, and \$_____ on December 1, 2032.

The Obligations maturing on or before December 1, 2025 will not be subject to redemption prior to maturity. The Obligations maturing on or after December 1, 2026 will be subject to redemption prior to maturity at the option of the obligor, in whole or in part, and if in part, in any order of their maturity and in any amount within a maturity (selected by lot within a maturity) on any date on or after December 1, 2025 at par, plus accrued interest to the date of redemption.

We have examined:

- (1) the Constitution and statutes of the State of New York;
- (2) the Internal Revenue Code of 1986, including particularly Sections 103 and 141 and 150 thereof, and the applicable regulations of the United States Treasury Department promulgated thereunder (collectively, the "Code");
- (3) an arbitrage certificate executed on behalf of the Obligor which includes, among other things, covenants, relating to compliance with the Code, with the owners of the Obligations that the Obligor will, among other things, (i) take all actions on its part necessary to cause interest on the Obligations not to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Obligations and investment earnings thereon, making required payments to the Federal government, if any, and maintaining books and records in a specified manner, where appropriate, and (ii) refrain from taking any action which would cause interest on the Obligations to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Obligations and investment earnings thereon on certain specified purposes (the "Arbitrage Certificate"); and
- (4) a certificate executed on behalf of the Obligor which includes, among other things, a statement that compliance with such covenants is not prohibited by, or violative of, any provision of local or special law, regulation or resolution applicable to the Obligor.

We also have examined a certified copy of proceedings of the finance board of the Obligor and other proofs authorizing and relating to the issuance of the Obligation, including the form of the Obligation. In rendering the opinions expressed herein we have (i) assumed the accuracy and truthfulness of all public records, documents and proceedings, including factual information, expectations and statements contained therein, examined by us which have

been executed or certified by public officials acting within the scope of their official capacities, and have not verified the accuracy or truthfulness thereof, and (ii) compliance by the Obligor with the covenants contained in the Arbitrage Certificate. We also have assumed the genuineness of the signatures appearing upon such public records, documents and proceedings and the certifications thereof.

In our opinion:

- (a) The Obligations have been authorized and issued in accordance with the Constitution and statutes of the State of New York and constitute valid and legally binding general obligations of the Obligor, all the taxable real property within which is subject to the levy of ad valorem taxes to pay the Obligations and interest thereon, subject to applicable statutory limitations. The enforceability (but not the validity) of the Obligations: (i) may be limited by any applicable bankruptcy, insolvency or other law now existing or hereafter enacted by said State or the Federal government affecting the enforcement of creditors' rights, and (ii) may be subject to the exercise of judicial discretion in appropriate cases.
- (b) The Obligor has the power to comply with its covenants with respect to compliance with the Code as such covenants relate to the Obligations; provided, however, that the enforceability (but not the validity) of such covenants may be limited by any applicable bankruptcy, insolvency or other law now existing or hereafter enacted by said State or the Federal government affecting the enforcement of creditors' rights.
- (c) Interest on the Obligations is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, and is exempt from personal income taxes imposed by the State of New York and any political subdivision thereof (including The City of New York). Interest on the Obligations is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although we observe that such interest is included in adjusted current earnings in calculating corporate alternative minimum taxable income. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Obligations.

Certain agreements, requirements and procedures contained or referred to in the Arbitrage Certificate and other relevant documents may be changed and certain actions (including, without limitation, economic defeasance of the Obligations) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. Accordingly, this opinion is not intended to, and may not, be relied upon in connection with any such actions, events or matters. Our engagement with respect to the Obligations has concluded with their issuance, and we disclaim any obligation to update this opinion. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents. Furthermore, we have assumed compliance with all covenants and agreements contained in the Arbitrage Certificate, including without limitation covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Obligations to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations under the Obligations and the Arbitrage Certificate and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against municipal corporations such as the Obligor in the State of New York. We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum, choice of venue, or waiver provisions contained in the foregoing documents.

The scope of our engagement in relation to the issuance of the Obligations has extended solely to the examination of the facts and law incident to rendering the opinions expressed herein. Such opinions are not intended and should not be construed to express or imply any conclusion that the amount of real property subject to taxation within the boundaries of the Obligor, together with other legally available sources of revenue, if any, will be sufficient to enable the Obligor to pay the principal of or interest on the Obligations as the same respectively become due and payable. Reference should be made to the Official Statement prepared by the Obligor in relation to the Obligations for factual information which, in the judgment of the Obligor, could materially affect the ability of the Obligor to pay

such principal and interest. While we have participated in the preparation of such Official Statement, we have not verified the accuracy, completeness or fairness of the factual information contained therein and, accordingly, we express no opinion as to whether the Obligor, in connection with the sale of the Obligations, has made any untrue statement of a material fact or omitted to state a material fact necessary in order to make any statements made, in the light of the circumstances under which they were made, not misleading.

Very truly yours,

/s/ Orrick, Herrington & Sutcliffe LLP

Village of Croton-on-Hudson, Westchester County, New York
\$646,434 Bond Anticipation Notes, 2017 Series A

Ladies and Gentlemen:

We have been requested to render our opinion as to the validity of \$646,434 Bond Anticipation Notes, 2017 Series A (the "Obligation"), of the Village of Croton-on-Hudson, Westchester County, New York (the "Obligor"), dated December 14, 2017, numbered _____, of the denomination of \$[_____], bearing interest at the rate of [_____] % per annum, payable at maturity, and maturing December 14, 2018.

We have examined:

- (1) the Constitution and statutes of the State of New York;
- (2) the Internal Revenue Code of 1986, including particularly Sections 103 and 141 through 150 thereof, and the applicable regulations of the United States Treasury Department promulgated thereunder (collectively, the "Code");
- (3) an arbitrage certificate executed on behalf of the Obligor which includes, among other things, covenants, relating to compliance with the Code, with the owners of the Obligations that the Obligor will, among other things, (i) take all actions on its part necessary to cause interest on the Obligations not to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Obligations and investment earnings thereon, making required payments to the Federal government, if any, and maintaining books and records in a specified manner, where appropriate, and (ii) refrain from taking any action which would cause interest on the Obligations to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Obligations and investment earnings thereon on certain specified purposes (the "Arbitrage Certificate"); and
- (4) a certificate executed on behalf of the Obligor which includes, among other things, a statement that compliance with such covenants is not prohibited by, or violative of, any provision of local or special law, regulation or resolution applicable to the Obligor.

We also have examined a certified copy of proceedings of the finance board of the Obligor and other proofs authorizing and relating to the issuance of the Obligation, including the form of the Obligation. In rendering the opinions expressed herein we have assumed (i) the accuracy and truthfulness of all public records, documents and proceedings, including factual information, expectations and statements contained therein, examined by us which have been executed or certified by public officials acting within the scope of their official capacities, and have not verified the accuracy or truthfulness thereof, and (ii) compliance by the Obligor with the covenants contained in the Arbitrage Certificate. We also have assumed the genuineness of the signatures appearing upon such public records, documents and proceedings and the certifications thereof.

In our opinion:

- (a) The Obligations have been authorized and issued in accordance with the Constitution and statutes of the State of New York and constitute valid and legally binding general obligations of the Obligor for which the Obligor has validly pledged its faith and credit for the payment thereof. All the taxable real property within the Obligor is subject to the levy of ad valorem taxes to pay the Obligations and interest thereon, subject to applicable statutory limitations, provided, however, the enforceability (but not the validity) of the

Obligations: (i) may be limited by any applicable bankruptcy, insolvency or other law now existing or hereafter enacted by said State or the Federal government affecting the enforcement of creditors' rights, and (ii) may be subject to the exercise of judicial discretion in appropriate cases.

- (b) The Obligor has the power to comply with its covenants with respect to compliance with the Code as such covenants relate to the Obligations; provided, however, that the enforceability (but not the validity) of such covenants may be limited by any applicable bankruptcy, insolvency or other law now existing or hereafter enacted by said State or the Federal government affecting the enforcement of creditors' rights.
- (c) Interest on the Obligations is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, and is exempt from personal income taxes imposed by the State of New York and any political subdivision thereof (including The City of New York). Interest on the Obligations is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although we observe that such interest is included in adjusted current earnings in calculating corporate alternative minimum taxable income. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Obligations.

Certain agreements, requirements and procedures contained or referred to in the Arbitrage Certificate and other relevant documents may be changed and certain actions (including, without limitation, economic defeasance of the Obligations) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. Accordingly, this opinion is not intended to, and may not, be relied upon in connection with any such actions, events or matters. Our engagement with respect to the Obligations has concluded with their issuance, and we disclaim any obligation to update this opinion. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents. Furthermore, we have assumed compliance with all covenants and agreements contained in the Arbitrage Certificate, including without limitation covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Obligations to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations under the Obligations and the Arbitrage Certificate and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against municipal corporations such as the Obligor in the State of New York. We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum, choice of venue, or waiver provisions contained in the foregoing documents.

The scope of our engagement in relation to the issuance of the Obligations has extended solely to the examination of the facts and law incident to rendering the opinions expressed herein. Such opinions are not intended and should not be construed to express or imply any conclusion that the amount of real property subject to taxation within the boundaries of the Obligor, together with other legally available sources of revenue, if any, will be sufficient to enable the Obligor to pay the principal of or interest on the Obligations as the same respectively become due and payable. Reference should be made to the Official Statement prepared by the Obligor in relation to the Obligations for factual information which, in the judgment of the Obligor, could materially affect the ability of the Obligor to pay such principal and interest. While we have participated in the preparation of such Official Statement, we have not verified the accuracy, completeness or fairness of the factual information contained therein and, accordingly, we express no opinion as to whether the Obligor, in connection with the sale of the Obligations, has made any untrue statement of a material fact or omitted to state a material fact necessary in order to make any statements made, in the light of the circumstances under which they were made, not misleading.
