Each purchaser will be deemed to have made the representations and warranties set forth below. |

Each purchaser of the Notes has confirmed its understanding that the offering of the Notes is being made (a) in reliance on the limited offering exemption of Section (d)(1) of Rule 15c2-12 (“Rule 15c2-12”) of the Securities Exchange Act of 1934 (the “Exchange Act”), and (b) without registration under, and in reliance upon an exemption from, the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”). - FORM:** Registered to Cede & Co. (DTC) Book-entry only
- LEGAL OPINION:** Approving legal opinion of Hawkins Delafield & Wood LLP, Bond Counsel, will be provided at closing. The form of opinion of Bond Counsel attached as Exhibit A.
- CALL FEATURE:** Non-callable.
- DESIGNATION:** The Notes will NOT be designated by the District as “qualified tax-exempt obligations” pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.
- AUTHORITY FOR AND PURPOSE OF ISSUE:** The Notes are being issued pursuant to a bond resolution adopted by the Board of Education of the District on June 21, 2018 authorizing the issuance of serial bonds or bond anticipation notes issued in anticipation of such serial bonds to finance the costs of the construction of a new elementary school, including the demolition of the existing building on said site and the removal of certain modular buildings used throughout the District, not to exceed \$46,844,112.
- NATURE OF OBLIGATION:** Each Note when duly issued and paid for will constitute a contract between the District and the holder thereof. The Notes are general obligations of the District and will contain a pledge of the faith and credit of the District for the payment of the principal thereof and the interest thereon. For the payment of such principal and interest the District has the power and statutory authorization to levy ad valorem taxes on all taxable real property in the District, subject to certain statutory limitations imposed by the Tax Levy Limit Law, as hereinafter defined.
- Under the Constitution of the State, the District is required to pledge its faith and credit for the payment of the principal of and interest on the Notes, and the State is specifically precluded from restricting the power of the District to levy taxes on real estate therefore. However, Chapter 97 of the New York Laws of 2011, as amended (the “Tax Levy Limit Law”), imposes a limitation on the power of local governments and school districts, including the District, to increase their annual tax levy, with the amount of such increase limited by the formulas set forth in the Tax Levy Limit Law. The Tax Levy Limit Law also provides the procedural method to overcome that limitation. In addition, the Tax Levy Limit Law expressly provides an exclusion from the annual tax levy limitation for any taxes levied to pay the local share of debt service on bonds or notes, such as the Notes, issued to finance voter approved capital expenditures, or the refinancing or refunding of such bonds or notes. The exclusion does NOT apply to taxes to pay debt service on tax anticipation notes, revenue anticipation notes, budget notes and deficiency notes; and any obligations issued to finance deficits and certain judgments, including tax certiorari refund payments.
- STATE INTERCEPT:** The Notes are eligible for the protections afforded by Section 99-b of the New York State Finance Law.
- DISCLOSURE INFORMATION:** The District will not deliver an official statement in connection with the sale of the Notes.

BOND RATING: The Notes are not rated. S&P rates the long term bonds of the District ‘A-’ with a negative outlook.

TAX STATUS: The opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the District, shall state that under existing statutes and court decisions and assuming continuing compliance with certain tax certifications described in the Tax Certificate executed by the District, (i) interest on the Notes is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and (ii) interest on the Notes is not treated as a preference item in calculating the alternative minimum tax under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed for taxable years beginning prior to January 1, 2018. In addition, the opinion of Bond Counsel to the District shall also state that under existing statutes, interest on the Notes is exempt from personal income taxes of New York State and its political subdivisions, including The City of New York.

ISSUE PRICE CERTIFICATE: The underwriter has agreed to provide an executed Issue Price certificate, in a form acceptable to the District and Bond Counsel, at closing.
