CUSIP identification numbers will be printed on the book-entry-only notes if Bond Counsel is provided with such numbers by the close of business on the Sale Date of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery and pay for the Notes in accordance with the terms hereof. TAX EXEMPT STATUS:

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Notes is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986. In the further opinion of Bond Counsel, interest on the Notes is not a specific preference item for purposes of federal individual alternative minimum tax. Bond Counsel is also of the opinion that interest on the Notes is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Notes.

THE NOTES WILL BE DESIGNATED AS QUALIFIED TAX-EXEMPT OBLIGATIONS PURSUANT TO SECTION 265(B)(3) OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED.

WINNING BIDDER

CERTIFICATE REQUIREMENTS:

Following the sale of the notes, on the Sale Date, the successful bidder will be required to provide to the Town and its Bond Counsel certain information regarding the reoffering price to the public of the notes. If the winning bidder is purchasing the notes for its own account and not with a view to distribute or resale, they should inform the financial advisor at the time of award and a certificate to that effect will be required on or before closing. Otherwise, the successful bidder also must submit to the Town a certificate (the "Reoffering Price Certificate"), satisfactory to Bond Counsel, dated as of the day of the delivery of the notes, which assuming three bids are received, states:

(a)(i) on the date of award, such successful bidder made a bona fide public offering of the notes at the initial offering price corresponding to the price or yield indicated in the information furnished in connection with the successful bid, and (ii) as of such date, the first price or yield at which an amount equal to at least ten percent of the notes was reasonably expected to be sold to the public was, respectively, a price not higher or a yield not lower than indicated in the information furnished with the successful bid (the "first price rule"), and (iii) provides a copy of the pricing wire or equivalent communication for the notes attached to the Reoffering Price Certificate. The term "public" as used herein means any persons including an individual, trust, estate, partnership, association, company or corporation (other than the successful bidder or a related party to the successful bidder, being two or more persons who have greater than 50%

common ownership directly or indirectly, or any person that agrees pursuant to a written contract or other agreement with a successful bidder to participate in the initial sale of the notes to the public). (b) the successful bidder was not given the opportunity to review other bids prior to submitting its bid. (c) the bid submitted by the successful bidder constituted a firm offer to purchase the notes.

In the event that at least three bids are not received by the Town on the Sale Date, and at least ten percent of the notes have been sold on the Sale Date, the successful bidder shall certify as to the first price or yield at which ten percent of the notes was sold in accordance with the first price rule and provide a copy of the pricing wire or equivalent communication.

In addition, in the event that (1) at least three bids are not received by the Town on the Sale Date, and (2) 10% of the notes have not been sold on the Sale Date, the successful bidder (and any members of its underwriting group or syndicate) shall have the option (i) to provide to the Town (or its agents) ongoing pricing information, together with reasonable supporting documentation acceptable to bond counsel (such as the pricing wire), until 10% of the notes is sold (the "Follow-the-Price Requirement"), or (ii) shall be required to hold the initial reoffering price to the public of such notes (as reported to the Town on the Sale Date) for the lesser of five (5) business days after the Sale Date or the date on which at least 10% of such notes are sold (the "Hold-the-Offering-Price Requirement"). A certification as to the details of compliance with this requirement shall be part of the Reoffering Price Certificate.

The Town or its Municipal Advisor on its behalf shall advise the successful bidder on the Sale Date as to whether at least three bids were received. Delivery of a bid shall constitute the bidder's agreement to comply with the Hold-the-Offering-Price Requirement or the Follow-the-Price Requirement of this Notice of Sale and to certify to compliance therewith under the circumstances described herein.

Such certificate shall state that it is made on the best knowledge, information and belief of the successful bidder after appropriate investigation.

OFFICIAL STATEMENT: The Town has not prepared an Official Statement in connection with the sale of the Notes.
