Such interest will be payable to the registered owners of the Bonds as shown on the registration books of the City as of the close of business on the Record Date, being the fifteenth day of the calendar month preceding each interest payment date. The Bonds will be payable in annual installments on August 1, in the following years and amounts:

****The aggregate par amount of Bonds may be decreased in an amount not in excess of the premium offered by the successful bidder, and the amount of each annual maturity as set forth herein may be adjusted to the extent necessary, in order that the total proceeds, which include the total par amount of the Bonds plus the original issue premium, if any, received by the City does not exceed the maximum amount permitted under applicable provisions of the Internal Revenue Code of 1986, as amended. Such adjustments will be made within twenty-four (24) hours following the opening of the bids. The successful bidder may neither withdraw nor modify its bid as a result of any such post-bid adjustment. Any such adjustment shall be conclusive, and shall be binding upon the successful bidder.***

* Preliminary, subject to change.

The Bonds of each maturity, as adjusted, will bear interest at the same rate and must have the same initial reoffering yields as specified for that maturity by the successful bidder for the Bonds. It is the intent of this provision to hold constant, on a per bond basis, the successful bidder's average underwriting spread. However, the award will be made to the bidder whose bid produces the lowest true interest cost, calculated as specified below, solely on the basis of the Bonds offered, without taking into account any adjustment in the amount of Bonds pursuant to this paragraph.

The City reserves the right to change the time and/or date for the opening of sealed proposals. Notice of any such change shall be provided not less than one (1) hour prior to the time set forth above for the opening of sealed proposals by means of a supplemental notice of sale to be transmitted over the Thomson Municipal News wire.

The Bonds will be issued as registered bonds and, at the option of the winning bidder, will either be issued in registered book-entry form or registered certificated form.

The Bonds will be issued in book-entry form, registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), which will act as Securities Depository for the Bonds, with no physical distribution of bond certificates made to the public. One bond certificate for each maturity will be issued to DTC and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any integral multiple thereof for any single maturity, except for one necessary odd denomination maturing in 2019, with transfers of ownership affected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The successful bidder, as a condition to delivery of the Bonds shall be required to deposit the bond certificates with DTC. Principal of and interest on the Bonds will be made by the City to DTC, as registered owner of the Bonds, from the Special Debt Service Fund established by the City and maintained with the Office of the State Comptroller pursuant to Chapter 223 of the New York Laws of 2010. See "Payment and Security for the Bonds" — "Special Debt Service Fund" in the Preliminary Official Statement of the City, dated July 9, 2018 (the "Preliminary Official Statement"), circulated in connection with the sale of the Bonds. Transfer of principal and interest to participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The City will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In the event (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the City determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the City will discontinue the book-entry system with DTC. If the City fails to identify another qualified securities depository to replace DTC, the City will deliver replacement Bonds in the form of fully registered certificates.

The Bonds will not be subject to redemption prior to maturity.

Sealed proposals may be submitted electronically via Parity or via facsimile transmission at (845) 227-6154, in accordance with this Notice of Sale, until the time specified herein. No other form of electronic bidding services nor telephone proposals will be accepted. No

proposal will be received after the time for receiving proposals specified above. Bidders submitting proposals via facsimile must use the "Proposal for Bonds" form attached hereto. Once the proposals are communicated electronically via Parity or via facsimile to the City, each bid will constitute an irrevocable offer to purchase the Bonds pursuant to the terms therein provided.

Prospective bidders wishing to submit an electronic bid via Parity must be contracted customers of Parity. Prospective bidders who do not have a contract with Parity must call (212) 849-5021 to become a customer. By submitting an electronic bid for the Bonds, a bidder represents and warrants to the City that such bidder's bid for the purchase of the Bonds is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Bonds.

Each prospective bidder who wishes to submit an electronic bid shall be solely responsible to register to bid via Parity. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the City nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the City nor Parity shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Parity. The City is using Parity as a communications mechanism, and not as the City's agent, to conduct the electronic bidding for the City's Bonds. The City is not bound by any advice or determination of Parity as to whether any bid complies with the terms of this Notice of Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Parity are the sole responsibility of the bidders, and the City is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Bonds, it should telephone Parity and notify the City's Financial Advisor, Capital Markets Advisors, LLC at (845) 227-8678 (provided that the City shall have no obligation to take any action whatsoever upon receipt of such notice). A GOOD FAITH DEPOSIT WILL NOT BE REQUIRED.

If any provisions of this Notice of Sale shall conflict with information provided by Parity, as approved provider of electronic bidding services, this Notice of Sale shall control. Further information about Parity, including any fee charged, may be obtained from Parity at (212) 849-5021. The time maintained by Parity shall constitute the official time with respect to all bids submitted.

The Bonds will be awarded and sold to the bidder complying with the terms of sale and offering to purchase such issue of Bonds at such rate or rates of interest per annum as will produce the lowest true interest cost over the life of such issue and, if two or more such bidders offer the same lowest true interest cost, then to one of said bidders selected by the Sale Officer by lot from among all said bidders. True interest cost shall be determined for each bid by doubling the semi-annual interest rate, compounded semiannually, necessary to discount all interest and principal payments from the payment dates thereof to the dated date of the Bonds, so that the sum of the present value of said payments equals the price bid, such price bid excluding interest accrued to the date of delivery. The true interest cost shall be calculated from the dated date of the bonds.

The successful bidder must also pay an amount equal to the interest on the Bonds, if any, accrued to the date of payment of the purchase price.

Award of the Bonds will be made without taking into consideration any adjustment to be made to the principal amount of the Bonds described herein.

Award of the Bonds to the successful bidder, or rejection of all bids, is expected to be made promptly after opening of the bids, but the successful bidder may not withdraw his proposal until after 3:00 o'clock P.M. (Prevailing Time) of the day of such bid-opening and then only if such award has not been made prior to the withdrawal. The successful bidder will be promptly notified of the award to him, and if he refuses or neglects to pay the agreed price of the Bonds less the amount deposited by him, the amount deposited by him shall be forfeited to and retained by the City as liquidated damages for such neglect or refusal.

The City reserves the right to reject any and all bids (regardless of the interest rate bid), to reject any bid not complying with this official Notice of Sale and, so far as permitted by law, to waive any irregularity or informality with respect to any bid or the bidding process.

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Bonds, is a good faith offer which the bidder believes reflects current market conditions, and is not a "courtesy bid" being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the "issue price" of the Bonds pursuant to U.S. Treasury Regulation Section 1.148-1(f)(3)(i), including the requirement that bids be received from at least three (3) underwriters (as defined below) of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Competitive Sale Requirements"). The Financial Advisor will advise the winning bidder if the Competitive Sale Requirements were met at the same time it notifies the winning bidder of the award of the Bonds. **Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.**

The winning bidder shall, within one (1) hour after being notified of the award of the Bonds, advise the Financial Advisor by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Bonds (the "Initial Reoffering Prices") as of the date of the award.

By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public (as defined below)) that if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. ***Such election must be made on the bid form submitted by each bidder. In the event a bidder submits a bid via Parity, such bidder must notify the Financial Advisor by email (bferguson@capmark.org) as to such election at the time such bid is submitted.***

(1) **Hold the Price.** The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide the Financial Advisor and Bond Counsel with reasonable supporting

documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell any Bonds within a maturity to any person at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least 10 percent of the Bonds of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the 5th business day after the date of the award of the Bonds, and

(c) has or will include or cause to be included within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which either the winning bidder or another member of any underwriting syndicate established by the winning bidder for the Bonds is a party) relating to the initial sale of the Bonds to the public, and in the related pricing wire, language obligating each underwriter to comply with the limitations on the sale of the Bonds as set forth above.

(2) **Follow the Price**. The winning bidder:

(a) will make a bona fide offering to the public of the Bonds at the Initial Reoffering Prices and provide the Financial Advisor and Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Financial Advisor and Bond Counsel information regarding the actual prices at which at least 10 percent of the Bonds within each maturity of the Bonds have been sold to the public,

(c) will provide the Financial Advisor and Bond Counsel with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Bonds, will continue until such date that 10 percent of each maturity of the Bonds has been sold to the public, and

(d) has or will include or cause to be included within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which either the winning bidder or another member of any underwriting syndicate established by the winning bidder for the Bonds is a party) relating to the initial sale of the Bonds to the public and in the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

For purposes of the “hold the price” and “follow the price” requirements, a “maturity” refers to the Bonds that have the same interest rate, credit and payment terms.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the Issuer a certificate (the “Reoffering Price Certificate”), satisfactory to Bond Counsel, prior to the delivery of the Bonds stating the applicable facts as

described above. The form of Reoffering Price Certificate is available by contacting Bond Counsel or the Financial Advisor.

If the winning bidder has purchased the Bonds for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Reoffering Price Certificate will recite such facts and identify the price or prices at which the purchase of the Bonds was made.

For purposes of this Notice of Sale, the following terms shall have the following respective meanings:

(A) the “public” means any person other than an underwriter or a related party (as defined below) to an underwriter;

(B) an “underwriter” means (i) the winning bidder (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public), (ii) any person that agrees pursuant to a written contract with the winning bidder to form an underwriting syndicate to participate in the initial sale of the Bonds to the public, and (iii) any person that agrees pursuant to a written agreement with either the winning bidder or any other member of an underwriting syndicate for the Bonds to participate in the initial sale of the Bonds to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public); and

(C) a “related party” (as defined in U.S. Treasury Regulation 1.150-1(b)) to an underwriter generally means any person who has greater than 50 percent common ownership, directly or indirectly, with such underwriter.

In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Bonds.

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, the purchase of any such insurance policy or the issuance of any such commitment therefor shall be at the sole option and expense of such bidder and any increased costs of issuance of the Bonds resulting by reason of the same, unless otherwise paid, shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued, shall not constitute cause for a failure or refusal by the purchaser of the Bonds to accept delivery of and pay for said Bonds in accordance with the terms hereof.

The proceeds from the sale of the Bonds, together with current funds of \$338,235, will be used to redeem a \$1,523,475 portion of the bond anticipation notes issued by the City on August 3, 2017 and maturing on August 3, 2018.

The Bonds are general obligations of the City and shall contain a pledge of the faith and credit of the City for the payment of the principal thereof and the interest thereon. The State Constitution requires the City to pledge its faith and credit for the payment of the principal of the Bonds and the interest thereon and to make annual appropriations for the amounts required for the

payment of such interest and the redemption of the Bonds. The State Constitution also provides that if at any time the appropriating authorities fail to make the required appropriations for the annual debt service on the Bonds and certain other obligations of the City, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied for such purposes, and also that the fiscal officer of the City may be required to set apart and apply such revenues as aforesaid at the suit of any holder of such obligations.

For the payment of such principal of and interest on the Bonds, the City has the power and statutory authorization to levy ad valorem taxes on all taxable real property in the City, subject to certain statutory limitations imposed by Chapter 97 of the Laws of 2011, as amended (the "Tax Levy Limit Law"). See "*Tax Levy Limit Law*" in the *Preliminary Official Statement*.

The population of the City is 28,363 according to the U.S. Census Bureau estimate. The debt statement to be filed pursuant to Section 109.00 of the Local Finance Law in connection with the sale of the Bonds, prepared as of July 2, 2018, shows the average five-year full valuation of real property subject to taxation by the City to be \$896,253,599, its debt limit to be \$62,737,751, and its total net indebtedness to be \$54,253,758.

The Bonds will be delivered to DTC and shall be paid for in Federal Funds on or about August 2, 2018, at such place in New York City, and on such business day and at such hour, as the Sale Officer shall fix on three business days' notice to the successful bidder, or at such other place and time as may be agreed upon with the successful bidder. The deposit of the Bonds with DTC under a book-entry system requires the assignment of CUSIP numbers prior to delivery. It shall be the responsibility of the successful bidder to obtain CUSIP numbers for the Bonds prior to delivery and the City will not be responsible for any delay occasioned by the inability to deposit the Bonds with DTC due to the failure of the successful bidder to obtain such numbers and to supply them to the City in a timely manner. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the City; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the successful bidder.

As a condition to the purchaser's obligation to accept delivery of and pay for the Bonds, such purchaser will be furnished, without cost, the following, dated as of the date of the delivery of and payment for the Bonds: (i) a certificate of the Director of Finance and Comptroller certifying, to the best of her knowledge after due inquiry, among other things, that (a) as of the date of the Official Statement furnished by the City in relation to the Bonds (the "Official Statement") and at all times subsequent thereto, up to and including the time of delivery of the Bonds, the Official Statement did not and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and (b) since date of the Official Statement to the time of delivery of the Bonds, there have been no material adverse change in the financial condition of the City as disclosed in the Official Statement; (ii) a Closing Certificate, evidencing due execution of the Bonds, including statements to the effect that (a) no litigation of any nature is now pending or, to the best of the knowledge of the signor, threatened, restraining or enjoining the issuance and delivery of the Bonds, or the levy or collection of any taxes to pay the principal thereof or the interest thereon, or in any way questioning or affecting the validity of the Bonds or the proceedings or authority for the issuance thereof, (b) neither the corporate existence

or boundaries of the City nor the title of any the officers thereof to their respective offices is being contested, and (c) no authority or proceedings for the issuance of the Bonds have been repealed, revoked or rescinded; (iii) an Attorney's Certificate of No Litigation signed by the Corporation Counsel stating, to the effect, that (a) there is no controversy or litigation of any nature pending or, to the best of the knowledge of the signor, threatened, restraining or enjoining the sale, execution, issuance or delivery of the Bonds, or in any way contesting or affecting the levy and collection of taxes to pay the principal thereof or the interest thereon, or in any manner questioning or affecting the validity of the Bonds or the authority or proceedings for the issuance to thereof, or contesting the corporate existence or boundaries of the City or the title of any of the officers of the City to their respective offices, and (b) there is no controversy or litigation of any nature now pending or, to the best of the signor's knowledge, threatened by or against the City, wherein an adverse judgment or ruling could have a material adverse impact on the financial condition of the City or adversely affect the power of the City to levy, collect and enforce the collection of taxes or other revenues for the payment of the Bonds which has not been disclosed in the Official Statement; (iv) a certificate of the Director of Finance and Comptroller evidencing the City's agreement as described in the section of the Preliminary Official Statement entitled "DISCLOSURE UNDERTAKING" (v) an arbitrage and use of proceeds certificate executed by the City Treasurer, which will contain, among other things, covenants, relating to compliance with the Internal Revenue Code of 1986, as amended (the "Code"), that the City will, among other things, (a) take all actions on its part necessary to cause interest on the Bonds to be excluded from the gross income of the owners thereof for Federal income tax purposes, including without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Bonds and investment earnings thereon, making required payments to the Federal Government, if any, and maintaining books and records in a specified manner, where appropriate, and (b) refrain from taking any action which would cause interest on the Bonds to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Bonds and investment earnings thereon on certain specified purposes; and (vi) the approving legal opinion as to the validity of the Bonds of Harris Beach PLLC, Bond Counsel, White Plains, New York. Reference should be made to said Official Statement for a description of the scope of Bond Counsel's engagement in relation to the issuance of the Bonds and matters covered by such legal opinion. Furthermore, reference should be made to the information under the headings "TAX MATTERS" and "LEGAL MATTERS" in the Official Statement.

The successful bidder may at its option refuse to accept the Bonds if prior to their delivery the opinion of Bond Counsel is not delivered or if any income tax law of the United States of America is hereafter enacted which shall provide that the interest thereon is taxable, or shall be taxable at a future date, for federal income tax purposes, and in such case the deposit made by it will be returned and it will be relieved of its contractual obligations arising from the acceptance of its proposal.

The City will designate the Bonds as "qualified tax-exempt obligations" pursuant to the provisions of Section 265 of the Code.

The Preliminary Official Statement is in a form "deemed final" by the City for the purpose of Securities and Exchange Commission Rule 15c2-12 but may be modified or supplemented as noted above. In order to assist bidders in complying with Rule 15c2-12 and as

part of the City's contractual obligation arising from its acceptance of each successful bidder's proposal, at the time of the delivery of the Bonds the City will provide an executed copy of its "Undertaking to Provide Continuing Disclosure." Said Undertaking will constitute a written agreement or contract of the City for the benefit of holders of and owners of beneficial interests in the Bonds, to provide to the Electronic Municipal Market Access ("EMMA") System implemented by the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934, or any successor thereto or to the functions of such Board contemplated by the Undertaking, the annual financial information and timely notice of the occurrence of certain events, as enumerated in said Rule 15c2-12.

The City will provide a reasonable number of final Official Statements to the successful bidder within five (5) business days following receipt of a written request therefor made to the City and its financial advisor. Such request may specify the applicable (a) offering price(s), (b) selling compensation, (c) rating(s), (d) credit enhancement and (e) identity and complete name of such bidder and any participating underwriters, and if so, the Official Statement will be modified or supplemented by the information so specified. Neither the City nor its financial advisor, nor Bond Counsel shall be liable in any manner for any delay, inaccuracy, or omission on the part of the successful bidder with respect to such request, nor shall the City's failure, as a result thereof, to provide the Official Statement (whether or not modified or supplemented) within the above time period, constitute cause for a failure or refusal by such bidder to accept delivery of and pay for the Bonds in accordance with the terms hereof.

Copies of the Notice of Sale and the Official Statement may be obtained upon request from the offices of Capital Markets Advisors, LLC, 1075 Rt. 82 – Suite 4, Hopewell Junction, New York 12533 (telephone number: (845) 227-8678).
