2023	\$85,000	2028	\$25,000	2033	\$20,000

*** The aggregate principal amount of the Bonds, the purchase price thereof and the principal amounts of the installments listed in the table above are subject to change depending upon the actual interest rates bid and the successful bidder's initial reoffering yields, in order to ensure the Bonds comply with applicable Federal tax law provisions regarding over-issuance. Accordingly, the City reserves the right, after selecting the lowest bidder, to decrease the size of the issue and/or adjust the maturity amounts of the Bonds to the extent necessary to satisfy such requirements. The successful bidder may neither withdraw nor modify its bid as a result of any such post-bid adjustment. Any such adjustment shall be conclusive, shall be promptly communicated to the successful bidder, and shall be binding upon the successful bidder. The Bonds of each maturity, as adjusted, will bear interest at the same interest rate as specified for that maturity in the Proposal for Bonds submitted by the successful bidder for the Bonds, and must have the same initial reoffering yields as thereafter specified by such bidder. Notwithstanding any post-bid adjustment, and provided the City will receive at the time of delivery of such Bonds an amount is at least equal to the par amount (as the same may have been adjusted) of the Bonds, the City will hold constant, on a per Bond basis, the successful bidder's underwriting spread with respect to such Bonds. However, the award shall be made to the bidder whose bid produces the lowest true interest cost rate solely on the basis of the Bonds offered, without taking into account any adjustment in the amount of the Bonds pursuant to this paragraph.**

The Bonds will be issued pursuant to the Constitution and statutes of the State of New York, including, among others, the Local Finance Law, the City Charter, and a bond resolution adopted by the Common Council on June 5, 2018 for the purpose of financing the various public purposes in the respective amounts for each such purpose as described in the Preliminary Official Statement circulated in connection with the sale of the Bonds (the "Preliminary Official Statement") (see "THE BONDS-Authority for and Purpose of Issue" in the Preliminary Official Statement).

The Bonds will not be subject to redemption prior to maturity.

The Bonds will be issued in registered form by means of a book-entry system with no physical distribution of bond certificates made to the public. Alternatively, at the option of the winning bidder, the Bonds may be registered in the name of the purchaser thereof.

If the Bonds are registered in the name of the purchaser, principal of and interest on the Bonds will be payable in Federal Funds at the office of the City Treasurer, North Tonawanda, New York. In such case, the Notes will be issued in registered form in denominations of \$5,000, or multiples thereof (with the exception of one necessary odd denomination in excess of \$5,000 maturing in 2019), as may be determined by such successful bidder(s).

If the Bonds are issued in book entry form, one bond certificate for each maturity will be issued to The Depository Trust Company, New York, New York (“DTC”) and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any integral multiple thereof for any single maturity (with the exception of one necessary odd denomination in excess of \$5,000 maturing in 2019), with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The successful bidder, as a condition to delivery of the Bonds shall be required to deposit the bond certificates with DTC, registered in the name of Cede & Co., its nominee. Principal of and interest on the Bonds will be payable to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest to participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The City will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In the event (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the City determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the City will discontinue the book-entry system with DTC. If the City fails to identify another qualified securities depository to replace DTC, the City will deliver replacement Bonds in the form of fully registered certificates (see “THE BONDS-Book Entry Only System”) in the Official Statement accompanying this Notice of Private Competitive Bond Sale).

THE CITY RESERVES THE RIGHT TO CHANGE THE TIME AND/OR DATE FOR THE OPENING OF THE BIDS. NOTICE OF ANY SUCH CHANGE SHALL BE PROVIDED NOT LESS THAN ONE HOUR PRIOR TO THE TIME SET FORTH ABOVE FOR THE OPENING OF BIDS BY MEANS OF A SUPPLEMENTAL NOTICE OF PRIVATE COMPETITIVE BOND SALE TO BE TRANSMITTED OVER TM3.

The Bonds shall be designated as “qualified tax-exempt obligations” pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the “Code”).

Each bid must be for all of said \$628,000 in Bonds and may state different rates of interest for Bonds maturing in different calendar years; provided, however, that (i) only one rate of interest may be bid for all Bonds maturing in any one calendar year, (ii) all rates of interest bid must be stated in a multiple of one-eighth of one percentum or one-hundredth of one percentum per annum.

Unless all bids are rejected, the award will be made to the bidder complying with the terms of sale and offering to purchase said Bonds at such rate or rates of interest which will produce the lowest interest cost computed in accordance with the true interest cost method of calculation, that being determined by doubling the semi-annual interest rate, compounded semi-annually, necessary to discount all interest and principal payments from the payment dates thereof to the dated date of the Bonds, so that the sum of the present value of said payments equals the price bid, such price bid excluding interest accrued to the date of delivery. The true interest cost shall be calculated from the dated date of the Bonds. If two or more such bidders offer to purchase the Bonds at the same true interest cost, computed as described above, the Bonds will be awarded to the bidder whose bid offers to purchase the Bonds at the highest premium dollar amount. The successful bidder must also pay an amount equal to the interest on the Bonds, if any, accrued to the date of payment of the purchase price. The right is reserved to reject any or all bids, and any bid not complying with this Notice of Private Competitive Bond Sale will be rejected.

Each bid must either be (i) submitted in a sealed envelope, the outside of which should be marked “Proposal for Bonds” and addressed as follows: Daniel R. Quinn, Treasurer of the City of North Tonawanda c/o Capital Markets Advisors, LLC, 4211 N. Buffalo Road, Suite 19, Orchard Park, NY 14127, (ii) submitted via facsimile transmission c/o Capital Markets Advisors, LLC to (716) 662-6684, or (iii) submitted electronically via Parity. In the case of a facsimile bid, neither the City nor its agents will assume liability for any inability of the bidder to reach the above-named facsimile number prior to the time of sale outlined above; time of receipt will be the time recorded by the facsimile receiver. No other form of electronic bidding service or telephone proposals will be accepted. No proposal will be accepted after the time for receiving proposals specified above. Bidders submitting proposals via facsimile must use the “Proposal for Bonds” form attached hereto. Once the proposals are communicated electronically via Parity or via facsimile to the City, each bid will constitute an irrevocable offer to purchase the bonds pursuant to the terms therein provided.

Prospective bidders wishing to submit an electronic bid via Parity must be contracted customers of Parity. Prospective bidders who do not have a contract with Parity must call (212) 849-5021 to become a customer. By submitting an electronic bid for the Bonds, a bidder represents and warrants to the City that such bidder’s bid for the purchase of the Bonds is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the bonds.

Each prospective bidder who wishes to submit an electronic bid shall be solely responsible to register to bid via Parity. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the City nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the City nor Parity shall be responsible for a bidder’s failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Parity. The City is using Parity as a communications mechanism, and not as the City’s agent, to conduct the electronic bidding for the City’s bonds. The City is not bound by any advice or determination of Parity as to whether any bid complies with the terms of this Notice of Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Parity are

the sole responsibility of the bidders, and the City is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the bonds, it should telephone Parity and notify the City's Municipal Advisor, Capital Markets Advisors, LLC, at (716) 662-3910 (provided that the City shall have no obligation to take any action whatsoever upon receipt of such notice). A GOOD FAITH DEPOSIT WILL NOT BE REQUIRED.

If any provisions of this Notice of Sale shall conflict with information provided by Parity, as approved provider of electronic bidding services, the provisions of this Notice of Sale shall control. Further, information about Parity, including any fee charged, may be obtained from Parity at (212) 848-5021. The time maintained by Parity shall constitute the official time with respect to all bids submitted.

The Bonds will be executed and delivered in escrow to DTC in Jersey City, New Jersey, not less than 24 hours prior to the time set for the delivery thereof. It shall be the responsibility of the purchaser to verify the CUSIP numbers at such time. The closing will be held on or about July 24, 2018, in Jersey City, New Jersey (through the facilities of DTC) or at such other place as is agreed upon by the City and the successful bidder, against receipt of Federal Funds, in an amount equal to the par amount of such Bonds, plus the premium, if any, including accrued interest from the date of such Bonds to the date of delivery, if any, less the amount of the Deposit submitted with the bid.

A Preliminary Official Statement has been prepared and disseminated by the City. The Preliminary Official Statement is deemed to be a "final official statement", as of its date, within the meaning of Rule 15c2-12 of the Securities and Exchange Commission ("SEC"), but is subject to (a) completion with certain price and other information to be made available by the successful bidder for the Bonds and (b) amendment. The Preliminary Official Statement, as so revised, will constitute the "final Official Statement". By the submission of a bid for the Bonds, the successful bidder contracts for the receipt of a reasonable number of copies of the final Official Statement within seven business days of the award of the Bonds. In order to complete the final Official Statement, the successful bidder must furnish on behalf of the underwriters of the Bonds the following information to Bond Counsel and the City by electronic or facsimile transmission or overnight delivery received by Bond Counsel and the City within 24 hours after the award of the Bonds: (a) initial offering prices or yields (expressed as percentages), (b) selling compensation (aggregate total anticipated compensation to the underwriters expressed in dollars), (c) the identity of the underwriters if the successful bidder is part of a group or syndicate and (d) any other material information necessary for the final Official Statement, but not known to the City (such as the bidders purchase of credit enhancement). The City shall not be responsible or liable in any manner for the successful bidders determination of information necessary to comply with SEC Rule 15c2-12 or the accuracy of any such information provided by the successful bidder or failure to furnish such Official Statements as described above which results from a failure by the successful bidder to provide the aforementioned information within the time specified. Acceptance by the successful bidder of such final Official Statement shall be conclusive evidence of the satisfactory completion of the obligations of said County with respect to the preparation and delivery thereof.

In accordance with the requirements of SEC Rule 15c2-12, the City shall provide on the date of delivery of the Bonds a written undertaking to provide the annual financial information and operating data and notices of the occurrence of certain events, all as described in the Preliminary Official Statement under the heading "DISCLOSURE UNDERTAKING".

As a condition of the purchaser's obligation to accept delivery of and pay for the Bonds, the City will furnish without cost to the purchaser the following, dated as of the date of delivery and payment for the Bonds: (1) a closing certificate constituting receipt of the Bond proceeds, (2) a certificate signed by the officers who signed the Bonds, stating that no litigation is then pending or, to the knowledge of such officers, threatened to restrain or enjoin the issuance or delivery of the Bonds or the levy or collection of taxes to pay the Bonds or the interest thereon, or questioning the validity of the statutes or the proceedings under which the Bonds are issued, and that neither the corporate existence or boundaries of the City, nor the title of any of the said officers to their respective offices, is being contested and that no authority or proceedings for the issuance of the Bonds has been revoked, (3) a certificate of the Treasurer of the City certifying that (a) as of the date of the Official Statement furnished by the City in relation to the Bonds, the Official Statement did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, subject to the condition that while information in said Official Statement obtained from sources other than the City is not guaranteed as to the accuracy, completeness or fairness, he has no reason to believe and does not believe that such information is materially inaccurate or misleading, and (b) to his knowledge, since the date of the Official Statement and since the date of the sale of the Bonds, the City has engaged in no material transactions not in the ordinary course of affairs of the City and no material adverse change in the general affairs of the City or in its financial condition as shown in the Official Statement has occurred other than as disclosed in or contemplated by the Official Statement; (4) a tax and arbitrage certificate executed on behalf of the City which includes, among other things, covenants relating to compliance with the Code, with the owners of the Bonds that the City will, among other things (A) take all actions on its part necessary to cause interest on the Bonds not to be includable in gross income of the owners thereof for Federal income tax purposes, including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Bonds and investment earnings thereon, making required payments to the Federal government, if any, and maintaining books and records in a specified manner, where appropriate, and (B) refrain from taking any action which would cause interest on the Bonds to be includable in gross income of the owners thereof for Federal income tax purposes; and (5) an approving opinion as to the validity of the Bonds of Harris Beach PLLC, Rochester, New York, Bond Counsel. Reference is hereby made to the Preliminary Official Statement for a description of the scope of the Bond Counsel's engagement in relation to the issuance of the Bonds and the matters covered by such legal opinion. Furthermore, reference should be made to the information under the heading "LEGAL MATTERS" in the Preliminary Official Statement.

The Bonds are general obligations of the City. All the taxable real property within the City is subject to the levy of ad valorem taxes to pay the respective Bonds and interest thereon, sufficient to pay the principal of and interest on the Bonds subject to applicable statutory limits (see

“TAX LEVY LIMITATION LAW” in the Preliminary Official Statement). The State Constitution requires the City to pledge its faith and credit for the payment of such interest and the redemption of the Bonds. The State Constitution also provides that if at any time the City fails to make the required appropriations for annual debt service on the Bonds and certain other obligations of the City, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied for such purposes; also that the fiscal officer of the City may be required to set apart and apply such revenues as aforesaid at the suit of any holder of the Bonds.

The deposit of the Bonds with DTC under a book-entry system requires the assignment of CUSIP numbers prior to delivery. It shall be the responsibility of the successful bidder to obtain CUSIP numbers for the Bonds prior to delivery and the City will not be responsible for any delay occasioned by the inability to deposit the Bonds with DTC due to the failure of the successful bidder to obtain such numbers and supply them to the City in a timely manner. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the City; provided, however, that the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the purchaser.

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, the purchase of any such insurance policy or the issuance of any such commitment therefor shall be at the sole option and expense of such bidder and any increased costs of insurance of the bids resulting by reason of the same, unless otherwise paid, shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued, shall not constitute cause for a failure or refusal by the purchaser of the Bonds to accept delivery of and pay for said Bonds in accordance with the terms of its proposal.

In the event that prior to the delivery of the Bonds, the income received by private holders from bonds of the same type and character shall be includable in gross income for Federal income tax purposes, the successful bidder may at its election, be relieved of its obligations under the contract to purchase the Bonds, and in such case, the deposit accompanying this bid will be returned.

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Bonds, is a good faith offer which the bidder believes reflects current market conditions, and is not a “courtesy bid” being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the “issue price” of the Bonds pursuant to U.S. Treasury Regulation Section 1.148-1(f)(3)(i), including the requirement that bids be received from at least three (3) underwriters (as defined below) who have established industry reputations for underwriting new issuances of municipal bonds (the “Competitive Sale Requirements”). The Municipal Advisor will advise the winning bidder if the Competitive Sale Requirements were met at the same time it notifies the winning bidder of the award of the Bonds. **Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.**

The winning bidder shall, within one (1) hour after being notified of the award of the Bonds advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Bonds (collectively, the “Initial Reoffering Prices”) as of the date of the award.

By submitting a bid, each bidder (unless such bidder would be purchasing the Bonds for its own account and not with a view to distribution or resale to the public (as defined below)) (i) represents that it has an established industry reputation for underwriting new issuances of municipal bonds, and (ii) agrees that if it is the winning bidder and the Competitive Sale Requirements are not met, it will, with respect to each maturity of the Bonds, elect and satisfy either option (1) or option (2) described below. ***Such election must be made on the bid form submitted by each bidder. In the event a bidder submits a bid via Parity, such bidder must notify the Municipal Advisor by email (rganci@capmark.org) as to such election at the time such bid is submitted. If no election is made, then the bidder will be deemed to have elected option (1) below for all maturities of the Bonds.***

(1) **Hold the Price.** The winning bidder:

(a) will make a *bona fide* offering to the public of all of the Bonds at the Initial Reoffering Prices and provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell any Bonds within a maturity to any person at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least ten percent (10%) of the Bonds of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the fifth (5th) business day after the date of the award of the Bonds, and

(c) has or will include or cause to be included within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which either the winning bidder or another member of any underwriting syndicate established by the winning bidder for the Bonds is a party) relating to the initial sale of the

Bonds to the public, and in the related pricing wire, language obligating each underwriter to comply with the limitations on the sale of the Bonds as set forth above.

(2) **Follow the Price.** The winning bidder:

(a) will make a *bona fide* offering to the public of the Bonds at the Initial Reoffering Prices and provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Municipal Advisor and Bond Counsel information regarding the actual prices at which at least ten percent (10%) of the Bonds within each maturity of the Bonds have been sold to the public,

(c) will provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Bonds, will continue until such date that ten percent (10%) of each maturity of the Bonds has been sold to the public, and

(d) has or will include or cause to be included within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which either the winning bidder or another member of any underwriting syndicate established by the winning bidder for the Bonds is a party) relating to the initial sale of the Bonds to the public and in the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

For purposes of the “hold the price” and “follow the price” requirements, a “maturity” refers to the Bonds that have the same interest rate, credit and payment terms.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the Issuer a certificate (the “Reoffering Price Certificate”), satisfactory to Bond Counsel, prior to the delivery of the Bonds stating the applicable facts as described above.

If the winning bidder has purchased the Bonds for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Reoffering Price Certificate will recite such facts and identify the price or prices at which the purchase of the Bonds was made.

The form of Reoffering Price Certificate is available by contacting Bond Counsel or the Municipal Advisor.

For purposes of this Notice of Private Competitive Bond Sale, the following terms shall have the following respective meanings:

(A) the “*public*” means any person other than an underwriter or a related party (as defined below) to an underwriter;

(B) an “*underwriter*” means (i) the winning bidder (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public), (ii) any person that agrees pursuant to a written contract with the winning bidder to form an underwriting syndicate to participate in the initial sale of the Bonds to the public, and (iii) any person that agrees pursuant to a written agreement with either the winning bidder or any other member of an underwriting syndicate for the Bonds to participate in the initial sale of the Bonds to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public); and

(C) a “*related party*” (as defined in U.S. Treasury Regulation 1.150-1(b)) to an underwriter generally means any person who has greater than fifty percent (50%) common ownership, directly or indirectly, with such underwriter.

In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Bonds.

A Preliminary Official Statement will be furnished to any interested bidder upon request.
