The timely delivery of all proposals submitted by facsimile transmission (FAX) must be in legible and complete form, signed by an authorized representative of the bidder, and shall be the sole responsibility of the bidder. The Village shall not be responsible for any errors and/or delays in transmission and/or receipt of such bids, mechanical or technical failures or disruptions, or any omissions or irregularities in any bids submitted in such manner.

Bids must be for all of the Notes and must state in a multiple of one-hundredth or one-eighth of 1% a rate or rates of interest per annum which such Notes shall bear. Interest will be calculated on the basis of a 30-day month and 360-day year. The Notes will not be subject to prior redemption.

Payment and Security for the Notes

Said Notes are general obligations of the Village and the faith and credit of such Village are pledged for payment of the principal of and interest on such Notes. All the taxable real property in said Village will be subject to the levy of ad valorem taxes, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended, sufficient to pay the principal of and interest on the Notes. The State Constitution requires the Village to pledge its faith and credit for the payment of the principal of the Notes and the interest thereon and to make annual appropriations for the amounts required for the payment of such interest and the redemption of the Notes.

Award of Notes

The Notes will be awarded and sold to the bidder complying with the terms of sale and offering to purchase the Notes at the lowest net interest cost, and if two or more such bidders offer the same lowest net interest cost, then to the one of said bidders selected by the Sale Officer by lot from among all said bidders.

Award of the Notes is expected to be made promptly after opening of the bids, but the successful bidder may not withdraw the proposal until after 3:00 o'clock P.M. (Prevailing Time) on the day of such bid opening and then only if such award has not been made prior to the withdrawal. The Notes will be delivered and shall be paid for on or about the Date of Notes at such place and on such business day and at such hour, as the Sale Officer and successful bidder shall mutually agree.

Authority For and Purpose of the Notes

The Notes are issued pursuant to the State Constitution and statutes of the State, including among others, the Village Law and the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State, and a bond resolution adopted by the Board of Trustees of the Village on December 13, 2016. The proceeds of the Notes will be used to provide original financing for various water system improvements.

Form of the Notes

At the option of the purchaser, the Notes will be issued in (i) registered form registered in the name of the successful bidder or (ii) registered book-entry form registered to Cede & Co., as the partnership nominee for The Depository Trust Company, New York, New York ("DTC").

If the Notes are registered in the name of the successful bidder, a single note certificate will be issued for those Notes bearing the same rate of interest in the aggregate principal amount awarded to the respective successful bidder at such interest rate. Principal of and interest on such Notes will be payable in Federal Funds by the Village, at such bank or trust company located and authorized to do business in the State of New York as selected by the successful bidder.

If the Notes are issued in book-entry form, such notes will be delivered to DTC, which will act as securities depository for the Notes. Beneficial owners will not receive certificates representing their respective interests in the Notes. **Individual purchases of beneficial interest must be made in denominations of \$100,000 or any integral multiple of \$5,000 in excess thereof.** A single note certificate will be issued for those Notes bearing the same rate of interest and CUSIP number in the aggregate principal amount awarded to such purchaser at such interest rate. Principal of and interest on said Notes will be paid in Federal Funds by the Village to Cede & Co., as nominee for DTC, which will in turn remit such principal and interest to its participants for subsequent distribution to the beneficial owners of the Notes as described herein.

Transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Village will not be responsible

or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

CUSIP identification numbers will be printed on the book-entry Notes if Norton Rose Fulbright US LLP (“Bond Counsel”) is provided with such numbers by the close of business on the Sale Date of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery and pay for the Notes in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the Village; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser. DTC is an automated depository for securities and a clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry-only system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfer of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may be made only through book entries made on the books and records of DTC (or a successor depository) and its participants.

Delivery of the Notes

Said Notes will be delivered on or about the Date of the Notes, referred to herein, in New York, New York or otherwise as may be agreed with the purchaser; however, if the Notes are issued in book-entry only form, said Notes will be delivered to DTC, Jersey City, New Jersey. The purchase price of said Notes shall be paid in FEDERAL FUNDS or other funds available for immediate credit on said delivery date.

Legal Opinion

The approving legal opinion of Bond Counsel will be furnished to the purchaser upon delivery of the Notes, substantially in the form attached hereto as Schedule B.

Tax Exemption

In the event that prior to the delivery of the Notes, the income received by owners thereof from Notes of the same type and character becomes includable in the gross income of such owners for Federal income tax purposes, the successful bidder may, at such bidder’s election, be relieved of such bidder’s obligations under the contract to purchase the Notes.

Bank Qualification

The Village WILL designate the Notes as “qualified tax-exempt obligations” pursuant to the provisions of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the “Code”).

Obligation of Winning Bidder to Deliver a Limited Offering Certificate at Closing

The purchaser shall agree to execute a certificate stating that it represents and warrants that:

(i) it is acquiring the Notes for its own account as principal for investment and not for resale, or

(ii) it will comply with the exception provided in SEC Rule 15c2-12(d)(1)(i), that the Notes be sold in denominations of \$100,000 or more to no more than thirty-five persons, each of whom the Purchaser reasonably believes: (a) has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the prospective investment; and (b) is not purchasing for more than one account or with a view to distributing the securities.

Obligation of Winning Bidder to Deliver an Issue Price Certificate at Closing

The successful bidder shall agree to comply with the requirements of Schedule A hereto relating to the establishment of the “issue price” of the Notes as defined for purposes of Section 148 of the Code.

Documents Accompanying the Delivery of the Notes

As a condition to the purchaser’s obligation to accept delivery of and pay for the Notes, the following documents, dated as of the date of the delivery of and payment for the Notes, will be available to the purchaser, without cost: (i) a Closing Certificate, constituting receipt for the Notes proceeds and a signature certificate, which will include a statement that no litigation is pending or, to the knowledge of the signers, threatened affecting the Notes; (ii) a tax certificate executed on behalf of the Village which includes, among other things, covenants, relating to compliance with the Code, with the owners of the Notes that the Village will, among other things, (A) take all actions on its part necessary to cause interest on the Notes not to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Notes and investment earnings thereon, making required payments to the Federal government, if any, with regard to both the Notes and any obligations refunded with proceeds of the Notes, and maintaining books and records in a specified manner, where appropriate, and (B) refrain from taking any action which would cause interest on the Notes to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Notes and investment earnings thereon on certain specified purposes; and (iii) the unqualified legal opinion as to the validity of the Notes of Norton Rose Fulbright US LLP, New York, New York, Bond Counsel

Bond Rating

The Village will not apply for a rating of the Notes. The Village’s outstanding uninsured bond debt is rated “Aaa” by Moody’s Investor’s Service (“Moody’s”).

SCHEDULE A TO NOTICE OF SALE

(a) The winning bidder shall assist the Village in establishing the issue price of the Notes and shall execute and deliver to the Village by closing an “issue price” certificate setting forth the reasonably expected initial offering price to the public, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Village and Bond Counsel (including any modifications necessary or appropriate to reflect the hold-the-offering-price rule described below, if applicable). All actions to be taken by the Village under this Notice of Sale to establish the issue price of the Notes may be taken on behalf of the Village by the Village’s municipal advisor, Capital Markets Advisors, LLC, and any notice or report to be provided to the Village may be provided to the Village’s municipal advisor.

(b) The Village intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the “competitive sale requirements”) because:

- (1) the Village shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the Village may receive bids from at least three underwriters of municipal obligations who have established industry reputations for underwriting new issuances of municipal obligations; and
- (4) the Village anticipates awarding the sale of the Notes to the bidder who submits a firm offer to purchase the Notes at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Notes, as specified in the bid.

(c) If the competitive sale requirements are not satisfied, the Village shall so advise the winning bidder. In such event, unless the winning bidder is purchasing for its own account and not for resale, the Village intends to treat the initial offering price to the public as of the sale date of each maturity of the Notes as the issue price of that maturity (the “hold-the-offering-price rule”). The Village shall promptly advise the winning bidder, at or before the time of award of the Notes, if the competitive sale requirements were not satisfied, in which case the hold-the-offering-price rule shall apply to the Notes. Bids will not be subject to cancellation by the winning bidder if the competitive sale requirements are not satisfied and the hold-the-offering-price rule applies. If the winning bidder is purchasing the Notes for its own account and not for resale, then, whether or not the competitive sale requirements are met, the issue price certificate will recite such facts and identify the price or prices at which the purchase of the Notes was made.

(d) By submitting a bid, the winning bidder shall, unless it is purchasing all of the Notes for its own account and not for resale, (i) confirm that the underwriters have offered or will offer the Notes to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Notes, that the underwriters will neither offer nor sell unsold Notes of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or

- (2) the date on which the underwriters have sold at least 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the Village when the underwriters have sold 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(e) The Village acknowledges that, in making the representation set forth above, the winning bidder may rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) if a selling group has been created in connection with the initial sale of the Notes to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) if an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Notes to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires.

(f) By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Notes of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Notes of that maturity or all Notes of that maturity have been sold to the public and (B) to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Notes of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Notes of that maturity or all Notes of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

(g) Sales of any Notes to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this section of the Notice of Sale:

- (1) “maturity” means Notes with the same credit and payment terms; Notes with different maturity dates, or Notes with the same maturity date but different stated interest rates, are treated as separate maturities,
- (2) “public” means any person other than an underwriter or a related party,
- (3) “underwriter” means (A) any person that agrees pursuant to a written contract with the Village (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the public),
- (4) a purchaser of any of the Notes is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests

or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

- (5) “sale date” means the date that the Notes are awarded by the Village to the winning bidder.

[FORM OF ISSUE PRICE CERTIFICATE]

The undersigned, on behalf of [NAME OF UNDERWRITER] (“[SHORT NAME OF UNDERWRITER]”), hereby certifies as set forth below with respect to the sale of the above-captioned obligations (the “Notes”) of the [NAME OF ISSUER] (the “Issuer”).

1. Reasonably Expected Initial Offering Price.

(a) As of the Sale Date, the reasonably expected initial offering prices of the Notes to the Public by [SHORT NAME OF UNDERWRITER] are the prices listed in Schedule A (the “Expected Offering Prices”). The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents [SHORT NAME OF UNDERWRITER]’s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate with respect to the Notes and with respect to compliance with the federal income tax rules affecting the Notes, and by Norton Rose Fulbright US LLP in connection with rendering its opinion that the interest on the Notes is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Notes.

SCHEDULE B TO NOTICE OF SALE - FORM OF LEGAL OPINION

December 27, 2017

Village of Scarsdale,
County of Westchester,
State of New York

Re: Village of Scarsdale, Westchester County, New York
\$1,500,000 Bond Anticipation Note, 2017

Ladies and Gentlemen:

We have been requested to render our opinion as to the validity of an issue of \$1,500,000 Bond Anticipation Note, 2017 (the "Obligation"), of the Village of Scarsdale, Westchester County, New York (the "Obligor"), dated December 27, 2017.

We have examined:

- (1) the Constitution and statutes of the State of New York;
- (2) the Internal Revenue Code of 1986 (the "Code"), including particularly Sections 103 and 141 through 150 thereof, and the applicable regulations of the United States Treasury Department promulgated thereunder;
- (3) a tax certificate (the "Tax Certificate") executed on behalf of the Obligor which includes, among other things, covenants, relating to compliance with the Code, with the owners of the Obligation that the Obligor will, among other things, (i) take all actions on its part necessary to cause interest on the Obligation not to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Obligation and investment earnings thereon, making required payments to the Federal government, if any, and maintaining books and records in a specified manner, where appropriate, and (ii) refrain from taking any action which would cause interest on the Obligation to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Obligation and investment earnings thereon on certain specified purposes; and
- (4) a certificate executed on behalf of the Obligor which includes, among other things, a statement that compliance with such covenants is not prohibited by, or violative of, any provision of local or special law, regulation or resolution applicable to the Obligor.

We also have examined a certified copy of proceedings of the finance board of the Obligor and other proofs authorizing and relating to the issuance of the Obligation, including the form of the Obligation. In rendering the opinions expressed herein we have assumed (i) the accuracy and truthfulness of all public records, documents and proceedings, including factual information, expectations and statements contained therein, examined by us which have been executed or certified by public officials acting within the scope of their official capacities, and have not verified the accuracy or truthfulness thereof, and (ii) compliance by the Obligor with the covenants contained in the Tax Certificate. We also have assumed the genuineness of the signatures appearing upon such public records, documents and proceedings and the certifications thereof.

In our opinion:

- (a) The Obligation has been authorized and issued in accordance with the Constitution and statutes of the State of New York and constitutes a valid and legally binding general obligation of the Obligor, all the taxable real property within which is subject to the levy of ad valorem taxes to pay the Obligation and interest thereon, without limitation as to rate or amount; except as to certain statutory limitations which may result from the application of Chapter 97 of the Laws of 2011 of the State of New York, as amended, provided, however, that the enforceability (but not the validity) of the Obligation: (i) may be limited by any applicable bankruptcy, insolvency or other law

now existing or hereafter enacted by said State or the Federal government affecting the enforcement of creditors' rights; and (ii) may be subject to the exercise of judicial discretion.

- (b) The Obligor has the power to comply with its covenants with respect to compliance with the Code as such covenants relate to the Obligation; provided, however, that the enforceability (but not the validity) of such covenants may be limited by any applicable bankruptcy, insolvency or other law now existing or hereafter enacted by said State or the Federal government affecting the enforcement of creditors' rights.
- (c) Under existing law, interest on the Obligation (1) will be excludable from the gross income, as defined in section 61 of the Code, of the owners thereof for Federal income tax purposes, pursuant to section 103 of the Code and existing regulations, published rulings, and court decisions, assuming continuing compliance after the date hereof by the Obligor with the provisions of the Tax Certificate, and (2) will not be included in computing the Federal alternative minimum taxable income of the owners thereof who are individuals. We call to your attention that interest on the Obligation owned by a corporation (other than an "S" corporation or a qualified mutual fund, real estate mortgage investment conduit, real estate investment trust or a financial asset securitization investment trust (FASIT)) will be included in such corporation's adjusted current earnings for purposes of calculating the alternative minimum taxable income of such corporation. A corporation's alternative minimum taxable income is the basis on which the alternative minimum tax imposed by section 55 of the Code is computed. Under existing law, interest on the Obligation is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York).

We express no opinion with respect to any other Federal, state or local tax consequences under present law or any proposed legislation resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Obligation. Ownership of tax-exempt obligations such as the Obligation may result in collateral Federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, owners of an interest in a financial asset securitization investment trust, individual recipients of Social Security or Railroad Retirement Benefits, individuals otherwise qualifying for the earned income tax credit and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations.

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service; rather, such opinions represent our legal judgment based upon our review of existing law that we deem relevant to such opinions and in reliance upon the representations and covenants referenced above.

The scope of our engagement in relation to the issuance of the Obligation has extended solely to the examination of the facts and law incident to rendering the opinion expressed herein. Such opinion is not intended and should not be construed to express or imply any conclusion that the amount of real property subject to taxation within the boundaries of the Obligor, together with other legally available sources of revenue, if any, will be sufficient to enable the Obligor to pay the principal of or interest on the Obligation as the same respectively become due and payable. We have not examined, reviewed or passed upon the accuracy, completeness or fairness of any factual information which may have been furnished to any purchaser of the Obligation by or on behalf of the Obligor and, accordingly, we express no opinion as to whether the Obligor, in connection with the sale of the Obligation, has made any untrue statement of a material fact or omitted to state a material fact necessary in order to make any statements made, in the light of the circumstances under which they were made, not misleading.

Very truly yours,
